Mr. Clark,

Thank you for sharing your opinion regarding the application before the TRA for sewer service for Stonebridge. This matter is set for hearing on August 22. I will place a copy of your email in the docket file so it can be given appropriate consideration.

You can contact my office on August 23 to find out the decision in this case.

Thank you for contacting the TRA.

From: Matthew and Carli Clark, Owners of Stonebridge Lot 8

I understand that there is a hearing coming up on August 22nd regarding issuing a CCN# to Aquagreen utilities for the Stonebridge development in Dandridge, TN. My wife and I purchased this property over two and a half years ago and have been waiting to have a completed sewer system in place all this time. There are 102 lots in this development and many of the lot owners there have already made plans to build homes on their lots and many like us plan on building in the future. The approval of this sewer system is imperative to these plans. This situation has been a nightmare for all those who own properties in the Stonebridge development and we request that you consider immediate approval/issuance of the CCN# to Aquagreen Utilities. Thank you for your time and careful consideration.
