To the Directors that have been assigned to the hearing on the Sewer System for the Stonebridge Subdivision,

I cannot attend the meeting for the Stonebridge Subdivision sewer system, so I wish to state my concern about the sewer system being approved.

I bought a log in the Stonebridge Subdivision, and I am very concerned that we do not have a sewer system as promised by the developer. Without a sewer system, there will be no building permits issued, and therefore, my lot is worth very little. Frankly, my entire experience with this property has been a disappointment, and I am hoping that you can help restore my faith in Tennessee as a place to transact honest business, for the average citizen.

Please help us to get a sewer system CCN# assigned. Thank-you.

Sincerely,

Debra O'Dell
