Dear Members of the TRA,

Our family has purchased Lot #57 in the Stone Bridge Lake Community in Dandridge, TN. We have attached a letter to support the property owners attending the hearing on 8/22 to discuss the permit required for developing a sewer plant at the development. We hope the attached and the support of many others in our community will result in receiving a CCN# for the sewer system. Thank you for your time and we look forward to a productive meeting.

Sincerely,

Narinder N. Rattan
