RE: Wastewater Service to Stonebridge on Douglas Lake

Dear Mr. Kendall,

In response to your inquiry regarding the subdivision Stonebridge on Douglas Lake the City of Jefferson City's Public Works Department has no plans to extend wastewater service to that area within the next 12 months. That area is out of our service jurisdiction.

Should you have any questions or need additional information, please feel free to contact me at any time.

Sincerely,

Mike Jones
Director of Public Works & Utilities

Aqua Green Utility Inc. was asked to provide wastewater services for the subdivision Stonebridge on Douglas Lake, by the developer. Stonebridge on Douglas Lake is located off Tranquility Trail. We have petitioned the Tennessee Regulatory Authority to add Stonebridge to our service area. As part of that petition, the Tennessee Regulatory Authority has requested we ask other utilities in the area to please respond in writing if they intend on providing wastewater service to Stonebridge on Douglas Lake in the next 12 months.

I would like to thank you in advance for your assistance in this matter and look forward to your response.

Sincerely,
