RE: Docket No. 10-00146, *Application of Norlight Telecommunications, Inc. for Certificate to Provide Competing Local Telecommunications Services in Tennessee.*

Dear Mr. Gillette:

CLEC applicants are required, by statute, to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of Norlight Telecommunications, Inc.'s application for Certificate of Convenience and Necessity to provide competing local exchange and interexchange telecommunications services in Tennessee, you are requested to provide the following information:

- 1) Provide the certificate of authority for Norlight Telecommunications, Inc. by the Tennessee Secretary of State's Office.
- 2) What types of services, specifically, will Norlight Telecommunications, Inc. offer to schools and libraries?
- 3) Provide an informational tariff detailing the rates, terms and conditions of the services to be offered.
- 4) Provide a signed and dated certificate of service indicating all eighteen ILECs in Tennessee have been notified of the filing of Norlight Telecommunications, Inc.'s CLEC application.

Please provide the above information by August 6, 2010. In accordance with TRA Rules, please submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version and reference Docket No. 10-00146 on the correspondence. If you have questions concerning this request or need additional information, please contact Lisa Foust at 615-741-2904 extension 220.

Sincerely,

David Foster  
Utilities Division Chief
