Re: Access2Go, Inc. (now known as Stratus Networks, Inc.) - Surrender of Certificate

Dear Ms. Lawless:

By this letter, Access2Go, Inc. (now known as Stratus Networks, Inc.) ("Company") notifies the Commission that it is voluntarily surrendering, effective as of the date of this filing, its Certificate to provide resold interexchange services, which was granted in Docket No. 10-00175, Company ID Number 129098 on January 13, 2011. To the extent that Company has any tariff on file with the Commission, it is requesting that such tariff be cancelled and withdrawn. Company also requests any letter of credit be cancelled and withdrawn.

The public interest will not be adversely affected by the voluntary surrender of the above-referenced Certificate. Company does not offer or provide any services in Tennessee pursuant to the above-referenced Certificate, and therefore, no customer's service will be interrupted or disconnected by this surrender. To the best of its knowledge, Company is current on its reporting and fee remittance obligations.

If you have any questions regarding this request, please contact the undersigned.

Respectfully Submitted,
