T.R.A. DOCKET ROOM

Please find attached "Exhibit A" which was referenced in the Memorandum in Support of Motion for Leave to Issue More Than Eighty Discovery Requests filed earlier today by the Consumer Advocate, but was inadvertently left out.

In addition, Discovery Request No. 118 of the Consumer Advocate's Supplemental Discovery Requests references the "preceding discovery request (No. 116)." This is a typographical error, and should have read, "preceding discovery request (No. 117)." Unless any of the parties object, we will refrain from filing an Amended Supplemental Discovery Request and will allow this communication to serve as notice of the typographical error and the intent of the Consumer Advocate in drafting the request.

Thank you all for your time and assistance.

Sincerely,

T. Jay Warner
