Dear Ms. Freeman:

The Tennessee American Water Company has requested a rate increase for the greater Chattanooga area. Pursuant to the rules of the Tennessee Regulatory Authority a public hearing will be conducted during which time evidence and public comment will be duly considered regarding the proposed rate increase.

The members of the Hamilton County Tennessee state legislative delegation request that the Tennessee Regulatory Authority hold the public hearing in Hamilton County, Tennessee, the area which will be affected by the proposed rate increase.

Your earnest consideration of this request is greatly appreciated. I am,

Sincerely,

TN Senator Bo Watson, Chairman- Hamilton County Delegation
