Re: *Petition Of Tennessee American Water Company To Change And Increase Certain Rates And Charges So As To Permit It To Earn A Fair And Adequate Rate Of Return On Its Property Used And Useful In Furnishing Water Service To Its Customers*
Docket No. 10-00189

Dear Chairman Freeman:

During the January 24, 2011 hearing in this matter, counsel for the Chattanooga Regional Manufacturers Association ("CRMA") requested that Tennessee American Water Company ("TAWC") designate Attachment 1 to TAWC's Responses to the CRMA's Second Set of Data Requests as confidential. Therefore, pursuant to paragraph 6 of the Protective Order entered in this docket, TAWC gives notice to all parties that TAWC is designating Attachment 1 to TAWC's Responses to the CRMA's Second Set of Data Requests as confidential.

TAWC at this time is filing eleven disks with the TRA: (i) one disk that contains a PDF for the public docket that omits the document now designated as confidential (the "Docket Manager Disk"); (ii) one original and four copies of a replacement disk that should be substituted in place of the disks currently included with TAWC's January 21, 2011 Responses to the CRMA's Second Set of Data Requests; and (iii) one original and four copies of a confidential disk (being filed under seal) that contains only the above-referenced document now being designated as confidential.

TAWC also requests that the parties, including the TRA, appropriately designate and/or segregate the hard copies of this document as confidential material, in accordance with the terms of the Protective Order.

Should you have any questions concerning this matter, please do not hesitate to contact me at the email address or telephone number listed above.

Chairman Mary Freeman
