**Re: Notification of Pro Forma Assignment of Certificate of Public Convenience
and Necessity from Mobillitie, LLC to TN Backhaul Networks, LLC Docket
No. 10-00191**

Dear Mr. Foster,

By letter dated November 4, 2016, the Tennessee Regulatory Authority ("TRA") acknowledged receipt of the above-referenced notification; however, the letter refers to the transferee as "Interstate Transport and Broadband, LLC d/b/a TN Backhaul Networks, LLC." The correct name of the transferee is "TN Backhaul Networks, LLC." The Surety Bond Rider filed with the September 21, 2016 notification also identifies "TN Backhaul Networks, LLC" as the Principal under the Surety Bond.

We request that the TRA make the appropriate changes to its records to reflect the correct business entity – TN Backhaul Networks, LLC – as the holder of a Certificate of Public Convenience and Necessity.

Please date stamp the enclosed copy of this letter and return it in the envelop provided. Should you have any questions regarding this matter, please do not hesitate to contact me.

Respectfully submitted,

Michael P. Donahue
