I have talked with the partners and we wish to close it and stop the process. Thanks for your help in this matter.

Larry,

Hope things are going well. The TRA is calling and wanting to know if we are proceeding with the project. They want to close it if we do not want to pursue it.

Thanks
Charles

It is important that we hear from them asap, so we will know all we can before the meeting with the Murfreesboro Water and Sewer Board.

Thanks

Larry

I contacted the person handling the dockets and she has referred me to the Attorney for the TRA. I have contacted him and waiting for a reply. Once I hear from him, I will let you know.

I talked with Bob today and he ask me to send you an e-mail and ask if you have heard from TRA. Please discuss with Bob and/or get in touch with TRA and inquire about our request. Our Mr. Haley is going to the Water and Sewer Board meeting next week and it would be good to know what TRA is doing if anything. Please let me know your thoughts or findings.

Thanks

Larry
