Re: Docket No. 10-00207 - Petition of Kings Chapel Capacity for Exemption from Financial Security as Required by the TRA's Wastewater Regulations-Request to Continue Exemption.

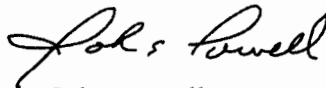

Dear Mr. Foster:

Kings Chapel Capacity ("KCC") has received your data request of November 29th in this matter. One component of your data request asks KCC to make a tariff filing in order to true-up its bonding costs.

Because this is the first ever bond cost true-up for KCC, and because of the holidays, we are asking for an extension of time beyond the December 15th due date in your data request. Accordingly, we are therefore requesting a one-month extension until January 17, 2011 to provide this information to your office.

Thank you for consideration of this request. If you have any questions or need further information, please let me know.

Sincerely,

John Powell
President
