Corporate Surety Bond #: 0010226

Effective Date: 1/31/11

Expiration Date: 1/31/12

DSH & Associates, LLC, as Principal, and Companion Property and Casualty Insurance Company, a corporation created and existing under the laws of S.C., as Surety, (Hereinafter called "Surety") are bound to the State of Tennessee in the sum of exactly Forty Thousand and 00/100 Dollars (\$40,000), and Principal and Surety hereby bind themselves, their successors and assigns, to pay in accordance with the following terms:

THE CONDITION OF THIS BOND IS:

The Principal is or intends to become a public wastewater utility subject to the laws of the State of Tennessee and the rules and regulations of the Tennessee Regulatory Authority ("Authority"), relating to the operation of a public wastewater utility: (describe utility and location)

Lakeside Estates Wastewater Collection and Treatment System, LaFollette TN

Tennessee Code Annotated § 65-4-201 requires the holder of a franchise for wastewater service to furnish a bond with sufficient surety, as approved by the Authority, conditioned as prescribed in Tenn. Comp. R. & Regs. Chapter 1220-4-13.

The Principal and Surety have delivered to the Authority a Surety Bond with an endorsement as required by the Authority.

After notice to the Principal and Surety and a contested case hearing that results in the suspension or revocation of the Principal's Certificate of Public Convenience and Necessity (CCN), the replacement of an operator by the Authority, or the appointment of a receiver by a court, the Authority may assess a sum sufficient of this bond, up to its maximum sum, to enable the continued operation of the public wastewater utility.

The Principal and the Surety are held and firmly bound to the State of Tennessee, in accordance with the provisions of Tenn. Comp. R. & Regs. Chapter 1220-4-13, in the amount of Forty thousand Dollars (\$ 40,000) lawful money of the United States of America to be used for the full and prompt payment of any monetary obligation imposed against the Principal, its representatives, successors or assigns, in any contested case proceeding brought under Chapter 1220-4-13, by or on behalf of the Authority, for which obligation the Principal and the Surety bind themselves, their representatives, successors and assigns, each jointly and severally, firmly and unequivocally by these presents.

Upon entry of an Order that finds a monetary obligation pursuant to Chapter 1220-4-13, and delivery to the Surety of a Bond Notice, substantially in the form set forth below ("Notice"), the Surety promises to pay, by wire transfer of immediately available funds, the amount of the monetary obligation as stated in the Order and Notice.

If for any reason, the Surety Bond is not to be renewed upon its expiration, the Surety shall, at least sixty (60) days prior to the expiration date of the Surety Bond, provide written notification by means of certified mail, return receipt requested, to the Tennessee Regulatory Authority, that the Surety Bond will not be renewed beyond the then current maturity date for an additional period. Before the date of expiration, the public wastewater utility shall provide the Tennessee Regulatory Authority with a replacement Surety Bond or petition consistent with Rule 1220-4-13-.07(5). Failure to have approved financial security in effect will subject the public wastewater utility to daily penalties pursuant to Tenn. Code Ann. § 65-4-120.

Bond No. 0010226

The bond shall become effective after execution by the Principal and Surety and upon filing with the Authority, and shall continue from year to year unless the obligations of the Principal under this bond are expressly released by the Authority in writing.

The Principal and Surety consent to the conditions of this Bond and agree to be bound by them.

This 31st day of January 2011.
