Re: Investigation as to Berry's Chapel f/k/a Lynwood Utility Corporation
Docket No. 11-00065

Dear Chairman Roberson:

I have been asked by Don Scholes to take over representation of Berry's Chapel/Lynwood and will attend the agenda conference on August 1, 2011 for consideration of the above-captioned item.

For your information, Lynwood has been meeting and exchanging information with the Consumer Advocate and Protection Division about filing a rate case and refunding the \$20.00 service fees collected by Berry's Chapel for several months.

If the TRA goes ahead with this investigative docket, it would be helpful if the TRA designated members of the staff to act as a party in this proceeding so that they can participate in the discussions between Lynwood and the CAPD concerning the refund of the service fees and the rate case.

Very truly yours,

BRADLEY ARANT BOULT CUMMINGS LLP
