Re: Docket 11-00065

Dear Chairman Allison:

Among the items on the Authority's conference agenda for April 8, 2013 is Docket No. 11-00065, an investigation of Berry's Chapel Utility, Inc. I am the attorney for Berry's Chapel but will not be able to attend or otherwise participate in the conference because of joint replacement surgery on April 3.

The agenda states that the matter is before the agency for an "Update from the Parties." Berry's Chapel has no objection to the agency proceeding with this matter on April 8 for that purpose only. I have discussed this agenda item with Mr. Shiva Bozarth, counsel for the Staff on this docket, and agreed that he may speak in my absence about recent developments in the docket and the status of settlement discussions between the Staff and the utility.

Sincerely,

BRADLEY ARANT BOULT CUMMINGS LLP
