Re: Evercom Systems, Inc. Name Change

Dear [Title] [Last Name]:

We are very pleased to inform you that Evercom Systems, Inc. is changing its name to **Securus Technologies, Inc.** This is a name change only. This is neither a merger nor a transfer of assets among companies. This name change will not affect the services you or inmate friends and family receive in anyway. You and friends and family will continue to work with the very same people at our company and there will be no change in any contact telephone numbers.

We have filed for all required document changes at both state and federal agencies. Over the next few weeks the "branding" of calls will be changed to the Securus name and, as we work with our billing agents, the name on customer bills will also be changed to the Securus name.

For your records, we have included a W-9 form for Securus Technologies, Inc. We recommend you retain this letter with your Evercom Systems, Inc. service contract as our official notice of our name change.

Should you have any questions, please feel free to contact your Securus Account or Territory Manager, [TM Name], at [TM Telephone Number].

As always, we will continue to provide you and the inmates' friends and family members with the best service and as many programs as possible to assist in managing all calling activity.

Thank you,

Robert Pickens
Chief Operating Officer
