Dear Mr. Welch:

This letter is to inform you that the *Petition to Amend Certificate of Public Convenience and Necessity* filed on behalf of Integrated Resource Management, Inc. d/b/a IRM Utility, Inc. ("IRM") with the Tennessee Regulatory Authority ("Authority") on May 19, 2011, remains incomplete. IRM's failure to respond to the TRA Staff's request for information, dated June 16, 2011, prevents this matter from proceeding to hearing.

Therefore, inasmuch as there has been no activity in Docket No. 11-00081 for several months, we respectfully request that IRM file its responses to all pending data requests or inform the Authority of any reason why this docket should remain open. This letter shall further serve as notice that, in the event that a written response is not filed in the docket file on or before **April 18, 2012**, Docket No. 11-00081 will thereafter be closed. Your prompt attention in this matter is appreciated.

Sincerely,

Kelly Cashman Grams
