Re: **Petition of Integrated Resource Management, Inc. d/b/a IRM Utility, Inc to Amend Its CCN to Serve an Area in Cumberland County, Tennessee, Known As Genesis Village Estates Subdivision, TRA Docket No. 11-00081**

Dear Mrs. Cashman Grams:

Thank you for your letter dated April 3, 2012 regarding the closing of the reference docket for failure to provide response to TRA Staff's data requests. After investigation and a conference with our client, IRM, we learned the developer of the Genesis project has been unavailable to assist with providing information due to health related reasons. Within the last several days, we were able to speak with him and found he is back to work and wants to go forward with the project.

Although it will not be possible to provide all of the requested information by your deadline of April 18, 2012, a partial response should be filed in this docket before the close of business tomorrow. Accordingly, we would respectfully request a further extension of time to file additional information in complete response to the Staff's requests. If possible, a 60 day extension would be appreciated.

If our proposal to proceed with this docket is not acceptable, please accept this letter as Petitioner's formal written request to withdraw the petition. If withdrawn, it is the Petitioner's intent to re-file. As you are aware, there would be certain additional costs associated with starting over which our client would like to avoid, if at all possible.

Thank you for your time and consideration in this matter.

Very truly yours,

FARRIS MATHEWS BOBANGO PLC
