Re: Docket 11-00108, *Complaint of TDS Telecom, et al. v. Halo Wireless, Inc., et al.*

Dear Chairman Hill:

Complainants have reviewed the filing by Halo Wireless, Inc. and Transcom Enhanced Services, Inc. of their Request for TRA to Take Notice of Additional Relevant Documents and Legal Decisions. All such documents are legal decisions, except for Number 7 which is a filing at the FCC by one of Complainants' attorneys, Norman J. Kennard and was previously filed by Complainants with the Tennessee Regulatory Authority (TRA). With or without the Notice, the TRA could consider all legal decisions. Complainants have no further response to file to the Defendants' Notice.

Sincerely,

H. LaDon Baltimore
