Re: Shelby County Displaced Angles Communications Customers (Possible)

Chairman Roberson,

Four Star Marketing, LLC dba Mid-South Home Phone is a Competitive Local Exchange Carrier based in Memphis, TN. In January 2011, we received ETC designation in TN. We have watched with great interest the proceedings surrounding AT&T and companies who have been withholding disputed amounts. Our commitment to the citizens of the state of Tennessee and our desire to do the right thing with AT&T is documented in our payment history.

To my knowledge, we are the only CLEC with ETC status based in Shelby County. Who better to serve the 17,000 potentially displaced Lifeline customers than a local provider with two convenient payment locations.

We would like to meet with you and AT&T to discuss a possible "conversion" plan by which all affected Lifeline customers maintain their service without interruption.

Thank you for your consideration.
