Docket No. 11-00109*

Dear Hearing Officer Hill:

At your request I am writing to confirm that AT&T has agreed to extend the service termination date of resellers Angles Communications Solutions, dPi Teleconnect, American Dial Tone and OneTone Telecom from July 28, 2011 until August 18, 2011 in order to provide the TRA Staff additional time to issue notices to the resellers' customers. I do not include NewPhone in this list of resellers because NewPhone has recently paid AT&T the amounts it previously withheld in connection with the \$3.50 state Lifeline credit.

In the meantime, consistent with your ruling during yesterday's status conference, AT&T will suspend the ordering capability of the resellers (other than for NewPhone) no earlier than 11:59 p.m. on July 14, 2011.

After the status conference concluded yesterday, OneTone proposed making an "escrow" payment in lieu of suspension. Assuming timely receipt of OneTone's payment, AT&T will not suspend OneTone's ordering capability prior to the TRA's ruling on August 1, 2011.

Please let me know if you need additional information.

Sincerely,
