Docket No: 11-00109

Date: July 14, 2011

Based on the actions taken during the Status Conference held on July 13, 2011, the parties shall file briefs and present oral argument on the following issue:

Whether the resellers, BLC Management, LLC d/b/a Angles Communication Solutions, dPi Teleconnect, LLC, Ganoco, Inc. d/b/a American Dial Tone, Image Access, Inc. d/b/a NewPhone, and OneTone Telecom, Inc., have acted in good faith in withholding Lifeline credits from payments to BellSouth Telecommunications, Inc. d/b/a AT&T Tennessee ("AT&T").

In discussing this issue, the parties should address: (1) Whether the Interconnection Agreements of the parties allow the resellers to withhold Lifeline credits while a dispute over payment of those credits is being adjudicated; and (2) Whether AT&T is allowed to terminate service to the resellers for failure to make payment of Lifeline credits if it is determined that those credits have been withheld in bad faith.

The following schedule for briefing and oral argument has been established:

Initial Briefs shall be filed no later than 4:30 p.m. on Wednesday, July 20, 2011.

Reply Briefs shall be filed no later than 4:30 p.m. on Tuesday, July 26, 2011.

Oral argument on these issues before the panel shall occur during the Authority Conference on Monday, August 1, 2011.

Any person desiring to participate in this matter, if granted intervention upon request, shall be bound by the briefing schedule set forth herein.
