---

Sharla,  
Please print and add to the docket file. Thanks, Shirley

Ms. Frierson -

If in fact the Authority rules to allow AT&T to disconnect the customers of the resellers on August 18th and the TRA must notify all those customers of the situation, please advise Director Kyle that we (Mid-South Home Phone) are prepared to air a multitude of TV spots directed to those customers offering our assistance in converting their phone service over without an interruption.

Regards,

Joe Black  
Director of Operations  
Mid-South Home Phone
