**TENTH AMENDMENT TO CERTIFICATE OF FRANCHISE AUTHORITY**

On August 5, 2011, TDS Telecom filed its application for a state issued certificate of franchise authority pursuant to the terms of the Competitive Cable and Video Services Act ("CCVSA"). On August 17, 2011, the Tennessee Regulatory Authority (now the Tennessee Public Utility Commission) granted a Certificate of Franchise Authority to TDS Telecom Service Corporation ("TDS").

On August 25, 2021, TDS Telecom filed its application to renew its state issued certificate of franchise authority pursuant to the terms of the Competitive Cable and Video Services Act ("CCVSA"). On September 17, 2021, the Tennessee Public Utility Commission granted a Certificate of Franchise Authority to TDS Telecom Service Corporation ("TDS").

TDS now files its Tenth Amendment to add the following municipalities and unincorporated areas to its original application of municipalities and unincorporated areas. The added locations are all within TDS Telecom's incumbent local exchange ("ILEC") telecom service area.

Locations as follows:

1. City of La Vergne (see map)

3. Metropolitan Government of Nashville and Davidson County (see map)
4. City of Lebanon (see map)
5. City of Mount Juliet (see map)
6. Wilson County (see map)
7. Knox County (see map)

TDS has provided a copy and notice of this amendment filing to affected municipalities and counties.

TDS will comply with all requirements regarding these additional locations to the same extent as set forth in its original application as filed on August 5, 2011, as granted on August 17, 2011, and in the renewal issued in 2021.
