Pooling Administrator***

Dear Chairman Roberson:

As recently discussed with TRA staff, Tennessee Telephone Company is giving notice of the withdrawal of its request in the above-referenced docket for the Authority to direct NeuStar to provide the NPA/NXX to Tennessee Telephone to establish and assign an LRN to the MetaSwitch in the Halls Crossroads Rate Center. Tennessee Telephone wishes to proceed with its request for the Authority to direct NeuStar to provide the NPA/NXX to Tennessee Telephone to establish and assign an LRN to the MetaSwitch only in the LaVergne Rate Center.

An original and five copies of this letter are being filed today with the TRA Docket Clerk, Sharla Dillon. Please stamp the additional copy of this letter as "filed" and return the additional copy to me by way of our courier.

Should you have any questions concerning this matter, please do not hesitate to contact me at the email address or telephone number listed above.

Sincerely,

David Killion
