Re: *Complaint of Access Point, Inc. against AT&T Tennessee and AT&T Long
Distance Service for Unreasonable and Anti-Competitive Conduct*
Docket No. 11-00141

Dear Chairman Hill:

Yesterday, AT&T filed a motion in this docket, asking that the TRA consider either declining to convene a contested case or dismissing the complaint. I am writing to ask whether the Authority might make time for AT&T to be heard briefly on that motion before the TRA takes up the matter for the purpose of considering whether to appoint a hearing officer (as it is listed on the addendum to the agenda). In the event that the Authority agrees that it should exercise its discretion and decline to convene a contested case, then there would be no need to appoint a hearing officer. AT&T would need no more than ten minutes of time to speak to the basis for its motion and reply to any response offered by Access Point on that issue.

Thank you for your consideration.

Very truly yours,

Joelle Phillips
