RE: Docket No. 11-00149, *CTC Communications Corp. d/b/a One Communications*
Name Change to CTC Communications Corp. d/b/a EarthLink Business II

Dear Mr. Forte:

The Tennessee Regulatory Authority is in receipt of the above application for a name change. However, there appears to be a discrepancy between the assumed name approved by the Tennessee Secretary of State's Office and the assumed name requested to be used by the company.

In the filing received September 1, 2011, CTC Communications Corp. d/b/a One Communications requests that the company's name be changed to CTC Communications Corp. d/b/a EarthLink Business II. However, the Tennessee Secretary of State filing acknowledgment lists the assumed name of the company to be EarthLink Business I.

Please advise the Tennessee Regulatory Authority of the correct assumed name that CTC Communications Corp. is requesting to use in the above referenced filing.

Once the above information has been received, the Authority will continue to process the name change request. In accordance with TRA Rules, please submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version and reference Docket No. 11-00149 on the correspondence. If you have questions concerning this request or need additional information, please contact Lisa Foust at 615-741-2904 extension 220.

Sincerely,

David Foster
Utilities Division Chief
