II. ARTICLE II

1. DEFINITIONS

Special meanings are given to common words in the telecommunications industry, and coined words and acronyms are common in the custom and usage in the industry. Words used in this contract are to be understood according to the custom and usage of the telecommunications industry, as an exception to the general rule of contract interpretation that words are to be understood in their ordinary and popular sense. In addition to this rule of interpretation, the following terms used in this Agreement shall have the meanings as specified below:

- 1.1 "Act" means the Communications Act of 1934, as amended.
- 1.2 "Affiliate" means a person that (directly or indirectly) owns or controls, is owned or controlled by, or is under common ownership or control with, another person. For purposes of this paragraph, the term "own" means to own an equity interest (or the equivalent thereof) of more than ten percent (10%).
- 1.3 "Central Office Switch" means a switch used to provide Telecommunications services, including, but not limited to:
 - (a) "End Office Switch" is a switch in which the subscriber station loops are terminated for connection to either lines or trunks. The subscriber receives terminating, switching, signaling, transmission, and related functions for a defined geographic area by means of an End Office Switch.
 - (b) "Remote End Office Switch" is a switch in which the subscriber station loops are terminated. The control equipment providing terminating, switching, signaling, transmission, and related functions would reside in a host office. Local switching capabilities may be resident in a Remote End Office Switch.
 - (c) "Host Office Switch" is a switch with centralized control over the functions of one or more Remote End Office Switches. A Host Office Switch can serve as an end office as well as providing services to other remote end offices requiring terminating, signaling, transmission, and related functions including local switching.
 - (d) "Tandem Office Switch" is a switching system that establishes trunk-to-trunk connections. A Tandem Office Switch can provide host office or end office switching functions as well as the tandem functions. A Central Office Switch may also be employed as a combination End Office/Tandem Office Switch.
- 1.4 "Commercial Mobile Radio Services" or "CMRS" has the same meaning as defined in 47 C.F.R. § 20.3.
- 1.5 "Commission" means the Tennessee Regulatory Authority.
- 1.6 "Extended Area Service" or "EAS" is as defined and specified in Peoples' then current General Customer Services Tariff.
- 1.7 "Effective Date" means the date first above written.

- 1.8 "FCC" means the Federal Communications Commission.
- 1.9 "Interconnection" for purposes of this Agreement is the indirect or direct linking of Peoples and Sprint networks for the exchange of Local Telecommunications Traffic described in this Agreement.
- 1.10 "InterMTA Traffic" is Telecommunications traffic, which, at the beginning of the call, originates in one MTA and terminates in another MTA.
- 1.11 "Local Service Area" means, for Sprint, Major Trading Area Number 43 (Nashville) and for Peoples, the area contained in Peoples' then current General Customer Services Tariff on file with the Commission.
- 1.12 "Local Telecommunications Traffic" is defined for all purposes under this Agreement, as Telecommunications traffic that is originated on one Party's network, and terminated on the other Party's network within the same MTA. For purposes of determining originating and terminating points, the originating or terminating point for Peoples shall be the end office serving the calling or called party, and for Sprint shall be the cell site location which services the calling or called party at the beginning of the call.
- 1.13 "Local Exchange Carrier" or "LEC" has the same meaning as defined in 47 U.S.C. § 153(26).
- 1.14 "Major Trading Area" or "MTA" means the Major Trading Areas as designated by the FCC in 47 C.F.R. § 24.202(a).
- 1.15 "Mobile Switching Center" or "MSC" is a switching facility that is an essential element of the Sprint network which performs the switching for the routing of calls between and among Sprint subscribers and subscribers in other mobile or landline networks. The MSC is used to interconnect trunk circuits between and among End Office Switches and Tandem Switches, aggregation points, points of termination, or points of presence and also coordinates inter-cell and inter-system call hand-offs and records all system traffic for analysis and billing.
- 1.16 "NPA" or the "Number Plan Area" also referred to as an "area code" refers to the three-digit code which precedes the NXX in a dialing sequence within the North American Numbering Plan (*i.e.*, NPA/NXX-XXXX).

- 1.18 "Party" means either Peoples or Sprint, and "Parties" means Peoples and Sprint.
- 1.19 "Point of Interconnection" or "POI" means the technically feasible points of Interconnection between the Parties' respective networks where an originating Party's traffic is deemed to be handed off to the terminating Party's network for the purpose of applying Reciprocal Compensation charges.
- 1.20 "Rate Center" means a geographic area that is associated with one or more NPA-NXX codes that have been assigned to a Telecommunications Carrier for its provision of Telecommunications services.
- 1.21 "Reciprocal Compensation" means an arrangement between two carriers in which each receives compensation rate from the other carrier for the Transport and Termination on each carrier's network of Local Telecommunications Traffic that originates on the network facilities of the other carrier. For the purposes of this Agreement, such compensation, regardless of the Party that receives it, is symmetrical.
- 1.22 "Telecommunications" has the same meaning as defined in 47 U.S.C. § 153(43).

2.0 INTERPRETATION AND CONSTRUCTION

All references to Sections, Exhibits and Schedules shall be deemed to be references to Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. The headings of the Sections and the terms are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning of this Agreement. Unless the context shall otherwise

require, any reference to any agreement, other instrument or other third party offering, guide or practice, statute, regulation, rule or tariff is for convenience of reference only and is not intended to be a part of or to affect the meaning of a rule or tariff as amended and supplemented from time-to-time (and, in the case of a statute, regulation, rule or tariff, to any successor provision).

3.0 SCOPE

- 3.1 This Agreement is intended, *inter alia*, to describe and enable Interconnection and Reciprocal Compensation arrangements between the Parties. This Agreement does not obligate either Party to provide arrangements not specifically provided for herein.
- 3.2 This Agreement sets forth the terms, conditions, and rates under which the Parties agree to interconnect the CMRS network of Sprint and the ILEC network of Peoples for purposes of exchanging traffic, provided that the service provided by Sprint to its customer is a two-way mobile service as defined in 47 U.S.C. § 153(27). This Agreement does not cover Sprint one-way paging service traffic or fixed wireless. Sprint does not currently provide fixed wireless services in Peoples' Local Service Area. Sprint agrees that it will provide Peoples notice if it launches fixed wireless services in Peoples' Local Service Area. Upon Peoples' receipt of such notice, the Parties agree to negotiate an appropriate agreement or an Amendment to this Agreement, which will address the exchange of such traffic.
- 3.3 This Agreement relates to exchange of traffic originated on the Parties' respective networks. Sprint represents that it is a CMRS provider of Telecommunications services to subscribers in MTA No. 43 (Nashville). Additions or changes to Sprint's NPA/NXXs will be as listed in Telcordia's Local Exchange Routing Guide ("LERG") under Operating Company Number ("OCN") 6664. With respect to wireless-to-landline traffic, Sprint shall not deliver traffic to Peoples that originates on a non-Party carrier's network.
- 3.4 With respect to landline-to-wireless traffic, this Agreement is limited to Peoples end user customers' traffic for which Peoples has authority to carry. Peoples' NPA/NXX(s) are listed in the LERG under OCN 0576.
- 3.5 Any amendment, modification, or supplement to this Agreement must be in writing and signed by an authorized representative of each Party.

4.0 SERVICE AGREEMENT

Description of Arrangements:

This Agreement provides for the following Interconnection and arrangements between the networks of Peoples and Sprint. Additional arrangements that may be mutually agreed to by the Parties in the future will be documented in a separate written amendment to this Agreement. An NPA/NXX assigned to Sprint, as well as numbers ported-in by Sprint customers, shall be treated for rating purposes as local and included in any local or EAS calling scope, or similar program, to the same extent as any Peoples or other incumbent LEC's NPA/NXX in the same Rate Center provided that Sprint assigns numbers from such NPA/NXX to, or ports-in numbers from, customers within the Local Service Area of Peoples and Sprint has network facilities, or has arrangements for the use of network facilities, within the MTA to serve such customers.

- 4.1 Indirect Interconnection. Except as provided for in Section 4.2 below, the Parties shall exchange all Traffic indirectly. The originating Party shall be responsible for all third-party charges, if any, associated with the delivery of calls originated on its network to the terminating Party's network and all costs of the facilities linking its own switch(es) to the third-party provider.
- 4.2 Direct Interconnection. At Sprint's option, one or more two-way trunk groups will be established between Peoples' Erin, TN End Office Switch and Sprint's switch(es) serving Peoples' Local Service Area, with the POI designated at a technically feasible meet point on Peoples' network selected by Sprint. Each Party shall be responsible for one hundred percent (100%) of all the transport facility costs both to (a) deliver traffic originating on its network to and (b) receive traffic originated on the other Party's network from, the meet point POI. This Agreement shall not preclude Peoples and Sprint from entering into additional mutually agreed upon direct interconnection arrangements in the future.
 - 4.2.1 If or when established, both Parties will use best efforts to route Local Service Area calls to the other Party over the direct interconnection facilities except in the case of an emergency or temporary equipment failure. Should either Party determine that the other Party is routing its originated Local Service Area calls indirectly, the originating Party agrees to update its routing and translations tables to move such traffic to the direct interconnection facilities within five (5) business days.
 - 4.2.2 Where direct interconnection has been established, each Party will perform local number portability ("LNP") database queries on its originated traffic prior to routing any of its originated traffic over the direct interconnection facilities, and will only route traffic over the direct interconnection facilities to the extent the local routing number ("LRN") returned from such queries belongs to the other Party.

5.0 COMPENSATION

5.1 Traffic Subject to Reciprocal Compensation:

Reciprocal Compensation is applicable for Transport and Termination of Local Telecommunications Traffic and is related to the exchange of traffic described in § 4. For the purposes of billing Reciprocal Compensation for Local Telecommunications Traffic, billed minutes will be based upon actual conversation time, determined from usage recorded and/or records/reports provided by the transiting carrier. Measured usage begins when the terminating recording switch receives answer supervision from the called end-user and ends when the terminating recording switch receives or sends disconnect (release message) supervision, whichever occurs first. The measured usage is aggregated at the end of the measurement cycle and rounded to a whole minute. Billing for Local Telecommunications Traffic shall be based on the aggregated measured usage less traffic recorded as local that is deemed InterMTA Traffic based on the default factor provided in § 5.2.

The rate for Reciprocal Compensation for Local Telecommunications Traffic exchanged via Direct Interconnection shall be \$0.0100 per minute.

The rate for Reciprocal Compensation for Local Telecommunications Traffic exchanged via Indirect Interconnection shall be \$0.0125 per minute.

The Parties agree to bill each other for Local Telecommunications Traffic as described in this Agreement unless the Local Telecommunications Traffic exchanged between the Parties is balanced and falls within an agreed upon threshold ("Traffic Balance Threshold"). The Parties agree that for purposes of this Agreement, the Traffic Balance Threshold is reached when the Local Telecommunications Traffic exchanged, both directly and indirectly, falls between 55% / 45% in either the wireless-to-landline or landline-to-wireless direction. When the actual usage data for three (3) consecutive months indicates that the Local Telecommunications Traffic exchanged, both directly and indirectly, falls within the Traffic Balance Threshold, then either Party may provide the other Party a written request, along with verifiable information supporting such request, to eliminate billing for Reciprocal Compensation per minute. Upon written consent by the Party receiving the request, which shall not be withheld unreasonably, there will be no billing for Reciprocal Compensation on a going forward basis unless otherwise agreed to by both Parties, in writing. The Parties' agreement to eliminate billing for Reciprocal Compensation

carries with it the precondition regarding the Traffic Balance Threshold discussed above. As such, the two points have been negotiated as one interrelated term containing specific rates and conditions, which are non-separable for purposes of § 16, hereof.

5.2 InterMTA Traffic:

The Parties agree that traffic that is directly or indirectly delivered, may be rated and recorded as Local Telecommunications Traffic subject to Reciprocal Compensation, but may have originated and terminated in different MTAs and therefore, is InterMTA Traffic. Recognizing that neither Party currently has a way of accurately measuring this InterMTA Traffic, the Parties agree, for the purposes of this Agreement, to a factor of 3% as an estimate of InterMTA Traffic and that such traffic will be compensated at Peoples' switched access rates as set forth in Appendix A (i.e. 50% intra-state and 50% inter-state.)

5.3 Calculation of Payments and Billing:

5.3.1 Sprint will compensate Peoples for Local Telecommunications Traffic and InterMTA Traffic delivered to Peoples for termination to its customers, as prescribed in § 4 and at the rate provided in §§ 5.1 and 5.2. Peoples will compensate Sprint for Local Telecommunications Traffic originated by Peoples customers on Peoples' network and delivered to Sprint, for termination to its customers, as prescribed in § 4 and at the rate provided in § 5.1.

5.3.2 Billing Subject to the billing procedures set forth in Appendix A, each Party shall bill the other for calls which the billing Party terminates to its own customers and which were originated by the billed Party. Neither Party shall bill the other for traffic that is more than one hundred and eighty (180) days old.

5.3.3 Peoples will prepare its bill in accordance with its existing CABS / SECABS billing systems and Sprint, where it has elected Mutual Billing pursuant to Appendix A, will prepare its bill in accordance with its existing process for billing Reciprocal Compensation. The Parties will make an effort to conform to current and future OBF (CABS BOS) standards, insofar as is reasonable. In addition, the Parties will abide by all signaling standards as described in § 7.6.

5.3.4 Each party may request to inspect, during normal business hours, the records which are the basis for any monthly bill issued by the other Party and to request copies thereof provided that the requested records do not exceed twelve (12) months in age from the date the monthly bill containing said record information was issued.

5.3.5 The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:

5.3.5.1 If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a *bona fide* dispute between the Parties, the Party billed (the "Non-Paying Party") shall, within thirty (30) days of its receipt of the invoice containing such disputed amount, give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party. The Parties will work together in good faith to resolve issues relating to the disputed amounts. If the dispute is resolved such that payment of the disputed amount is required, whether for the original full amount or for the settlement amount, the Non-Paying Party shall pay the full disputed or settlement amounts with interest at the lesser of (i) one and one-half percent (1½%) per month or (ii) the highest rate of interest that may be charged under Tennessee applicable law. In addition, the Billing Party may initiate a complaint proceeding with the appropriate regulatory or judicial entity, if unpaid undisputed amounts become more than ninety (90) days past due, provided the Billing Party gives an additional thirty (30) days notice and opportunity to cure the default.

5.3.5.2 Any undisputed amounts not paid when due shall accrue interest from the date such amounts were due at the lesser of (i) one and one-half percent (1½%) per month or (ii) the highest rate of interest that may be charged under Tennessee applicable law.

5.3.5.3 Undisputed amounts shall be paid within thirty (30) days of receipt of invoice from the Billing Party.

5.3.6 All invoices under this Agreement shall be sent to:

6.0 NOTICE OF CHANGES

If a Party contemplates a change in its network, which it believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least ninety (90) days advance written notice of such change to the other Party, provided, however, that this provision shall not apply to changes necessitated by emergencies or other circumstances outside the control of the party modifying its network.

7.0 GENERAL RESPONSIBILITIES OF THE PARTIES

- 7.1 Each Party is individually responsible to provide facilities within its network which are necessary for routing, transporting and, consistent with § 5, measuring and billing traffic from the other Party's network and for delivering such traffic to the other Party's network in an acceptable industry standard format, and to terminate the traffic it receives in that acceptable industry standard format to the proper address on its network. The Parties are each solely responsible for participation in and compliance with national network plans, including The National Network Security Plan and The Emergency Preparedness Plan. Neither Party shall use any service related to or use any of the services provided in this Agreement in any manner that prevents other persons from using their service or destroys the normal quality of service to other carriers or to either Party's customers, and subject to notice and a reasonable opportunity of the offending Party to cure any violation, either Party may discontinue or refuse service if the other Party violates this provision.
- 7.2 Each Party is solely responsible for the services it provides to its customers and to other Telecommunications Carriers.
- 7.3 Each Party is responsible for managing NXX codes assigned to it.

- 7.4 Each Party is responsible for obtaining Local Exchange Routing Guide ("LERG") listings of the Common Language Location Identifier ("CLLI") assigned to its switches.
- 7.5 Each Party agrees to adhere to the blocking requirements for interconnection (P.01) as provided in Telcordia documentation GR145 - Core Compatibility for Interconnection of a Wireless Services Provider and a Local Exchange Company Network.
- 7.6 SS7 Out of Band Signaling (CCS/SS7) shall be the signaling of choice for interconnecting trunks where technically feasible for both Parties. Use of a third-party provider of SS7 trunks for connecting Sprint to the Peoples SS7 systems is permitted. Such connections will meet generally accepted industry technical standards. Each Party is responsible for its own SS7 signaling and therefore, neither Party will bill the other SS7 signaling charges.
- 7.7 Each Party shall be responsible for its own independent connections to the 911/E911 network.
- 7.8 All originating traffic shall contain basic call information within the Initial Address Message (IAM) such as the calling number and will meet generally accepted industry technical standards. Altering of data parameters within the IAM shall not be permitted.
- 7.9 The Parties will offer service provider local number portability (LNP) in accordance with FCC rules and regulations. Service provider portability is the ability of users of Telecommunications services to retain, existing telecommunications numbers without impairment of quality, reliability, or convenience when switching from one Telecommunications Carrier to another.
- 7.10 The Parties shall provide LNP query, routing, and transport services in accordance with rules and regulations as prescribed by the FCC and guidelines set forth by the North American Number Council ("NANC").

8.0 TERM AND TERMINATION

- 8.1 Subject to the provisions of § 14, the initial term of this Agreement shall be for a two-year term ("Term"), which shall commence on the Effective Date. This Agreement shall automatically renew for successive month-to-month periods, unless not less than sixty (60) days prior to the end of the Term or any renewal term, either Party notifies the other Party of its intent

to terminate this Agreement or negotiate a successor agreement. In the case of a notice to terminate, the other Party may request negotiation of a successor agreement up to the end of the then-current term of this Agreement.

If either Party has requested the negotiation of a successor agreement as described above, then during the period of negotiation of the successor agreement, each Party shall continue to perform its obligations and provide the services described herein until such time as the successor agreement become effective. The rates, terms and conditions applying during the interim period between the end of the then-current term of this Agreement and when the successor agreement is executed shall be trued-up to be consistent with the rates, terms and conditions of the successor agreement reached through negotiation or arbitration.

If the Parties are unable to negotiate a successor agreement within the statutory time frame set for negotiations under the Act, then either Party has the right to submit this matter to the Commission for resolution pursuant to the statutory rules for arbitration under the Act. If the Parties are unable to negotiate a successor agreement by the end of the statutory time frame, or any mutually agreed upon extension thereof, and neither Party submits this matter to the Commission for arbitration, then the Agreement shall terminate at the conclusion of the statutory time frame or at the end of the extension to the statutory time frame.

- 8.2 The Parties have worked cooperatively to ensure there are no outstanding balances for the period prior to the Effective Date.
- 8.3 Upon termination or expiration of this Agreement in accordance with this Section:
- (a) Each Party shall comply immediately with its obligations as set forth in this Agreement;
 - (b) Each Party shall promptly pay all amounts (including any late payment charges) owed under this Agreement;
 - (c) The provisions of § 11.0 and § 12.0 shall survive termination or expiration of this Agreement.
- 8.4 Either Party may terminate this Agreement in whole or in part in the event of a default of the other Party, provided, however, that the non-defaulting Party notifies the defaulting Party in writing of the alleged default and the defaulting Party does not implement mutually acceptable steps to remedy such alleged default within thirty (30) days after receipt of written notice thereof.

9.0 CANCELLATION CHARGES

Except as provided herein, no cancellation charges shall apply.

10.0 SEVERABILITY

10.1 The services, arrangements, terms and conditions of this Agreement were mutually negotiated by the Parties as a total arrangement and are intended to be non-severable. However, if any provision of this Agreement is held by a court or regulatory agency of competent jurisdiction to be unenforceable, the rest of the Agreement shall remain in full force and effect and shall not be affected unless removal of that provision results in a material change to this Agreement. If a material change as described in this paragraph occurs as a result of action by a court or regulatory agency, the Parties shall negotiate in good faith for replacement language. If replacement language cannot be agreed upon within a reasonable time period, either Party may invoke dispute resolution procedures as set forth in this Agreement.

11.0 INDEMNIFICATION

11.1 Each Party (the "Indemnifying Party") shall indemnify and hold harmless the other Party ("Indemnified Party") from and against loss, cost, claim liability, damage, and expense (including reasonable attorney's fees) to customers and other third parties for:

- (1) damage to tangible personal property or for personal injury proximately caused by the negligence or willful misconduct of the Indemnifying Party, its employees, agents or contractors;
- (2) claims for libel, slander, or infringement of copyright arising from the material transmitted over the Indemnified Party's facilities arising from the Indemnifying Party's own communications or the communications of such Indemnifying Party's customers; and
- (3) claims for infringement of patents arising from combining the Indemnified Party's facilities or services with, or the using of the Indemnified Party's services or facilities in connection with, facilities of the Indemnifying Party.

Notwithstanding this indemnification provision or any other provision in the Agreement, neither Party, nor its parent, partners, subsidiaries, affiliates, agents, servants, or employees, shall be liable to the other for Consequential Damages (as defined in § 12.3).

11.2 The Indemnified Party will notify the Indemnifying Party promptly in writing of any claims, lawsuits, or demands by customers or other third parties for which the Indemnified Party alleges that the Indemnifying Party is responsible under this Section, and, if requested by the Indemnifying Party, will tender the defense of such claim, lawsuit or demand.

- (1) In the event the Indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the Indemnified Party may proceed to defend or settle said action and the Indemnifying Party shall hold harmless the Indemnified Party from any loss, cost liability, damage and expense.
- (2) In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.
- (3) The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit.

12.0 LIMITATION OF LIABILITY

12.1 No liability shall attach to either Party, its parents, subsidiaries, affiliates, agents, servants, employees, officers, directors, or partners for damages arising from errors, mistakes, omissions, interruptions, or delays in the course of establishing, furnishing, rearranging, moving, terminating, changing, or providing or failing to provide services or facilities (including the obtaining or furnishing of information with respect thereof or with respect to users of the services or facilities) in the absence of gross negligence or willful misconduct.

12.2 Except as otherwise provided in § 11.0, no Party shall be liable to the other Party for any loss, defect or equipment failure caused by the conduct of the first Party, its agents, servants, contractors or others acting in aid or concert with that Party, except in the case of gross negligence or willful misconduct.

12.3 In no event shall either Party have any liability whatsoever to the other Party for any indirect, special, consequential, incidental or punitive damages, including but not limited to loss of anticipated profits or revenue or other economic loss in connection with or arising from anything said, omitted or done hereunder (collectively, "Consequential Damages"), even if the other Party has been advised of the possibility of such damages.

13.0 DISCLAIMER

EXCEPT AS OTHERWISE PROVIDED HEREIN, NEITHER PARTY MAKES ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR INTENDED OR PARTICULAR PURPOSE WITH RESPECT TO SERVICES PROVIDED HEREUNDER. ADDITIONALLY, NEITHER PARTY ASSUMES ANY RESPONSIBILITY WITH REGARD TO THE CORRECTNESS OF DATA OR INFORMATION SUPPLIED BY THE OTHER PARTY WHEN THIS DATA OR INFORMATION IS ACCESSED AND USED BY A THIRD-PARTY.

14.0 REGULATORY APPROVAL

The Parties understand and agree that this Agreement will be filed with the Commission, and to the extent required by FCC rules may thereafter be filed with the FCC. Each Party covenants and agrees to fully support approval of this Agreement by the Commission or the FCC under § 252(e) of the Act without modification. The Parties, however, reserve the right to seek regulatory relief and otherwise seek redress from each other regarding performance and implementation of this Agreement. In the event the Commission or FCC rejects this Agreement in whole or in part, the Parties agree to meet and negotiate in good faith to arrive at a mutually acceptable modification of the rejected portion(s). Further, this Agreement is subject to change, modification, or cancellation as may be required by a regulatory authority or court in the exercise of its lawful jurisdiction.

The Parties agree that their entrance into this Agreement is without prejudice to any positions they may have taken previously, or may take in future, in any legislative, regulatory, judicial or other public forum addressing any matters, including matters related to the same types of arrangements covered in this Agreement.

15.0 CHANGE IN LAW

The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated thereunder by the FCC and the Commission as of the Effective Date ("Applicable Rules"). In the event of any amendment to the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, dispute resolution procedures under this Agreement or other legal action purporting to apply the provisions of the Act to the Parties or in which the FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or reverses the Applicable Rules (individually and collectively, Amended Rules), either Party may, by providing

written notice to the other party, require that the affected provisions of this Agreement be renegotiated in good faith and this Agreement shall be amended accordingly to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement.

16.0 MOST FAVORED NATION PROVISION

The term of the adopted agreement shall expire on the same date as set forth in the agreement that was adopted.

17.0 DISPUTE RESOLUTION

Except as provided under § 252 of the Act with respect to the approval of this Agreement by the Commission, the Parties desire to resolve disputes arising out of or relating to this Agreement without, to the extent possible, litigation. Accordingly, except for action seeking a temporary restraining order or an injunction related to the purposes of this Agreement, or suit to compel compliance with this dispute resolution process, the Parties agree to use the following dispute resolution procedures with respect to any controversy or claim arising out of or relating to this Agreement or its breach.

17.1 Informal Resolution of Disputes:

At the written request of a Party, each Party will, within thirty (30) days of such request, appoint a knowledgeable, responsible representative, empowered to resolve such dispute, to meet and negotiate in good faith to resolve any dispute arising out of or relating to this Agreement. The Parties intend that non-lawyer, business representatives conduct these negotiations. The location, format, frequency, duration, and conclusion of these discussions shall be left to the discretion of the representatives. Upon agreement, the representatives may utilize other alternative dispute resolution procedures such as mediation to assist in the negotiations. Discussions and correspondence among the representatives for purposes of these negotiations shall be treated as Confidential Information developed for purposes of settlement, exempt from discovery, and shall not be admissible in the arbitration described below or in any lawsuit without the concurrence of all Parties. Documents identified in or provided with such communications, which are not prepared for purposes of the negotiations, are not so exempted and may, if otherwise discoverable, be discovered or otherwise admissible, be admitted in evidence, in the arbitration or lawsuit.

17.2 Formal Dispute Resolution:

If negotiations fail to produce an agreeable resolution within ninety (90) days, then either Party may proceed with any remedy available to it pursuant to law, equity or agency mechanisms; provided, that upon mutual agreement of the Parties such disputes may also be submitted to binding arbitration. In the case of an arbitration, each Party shall bear its own costs. The Parties shall equally split the fees of any mutually agreed upon arbitration procedure and the associated arbitrator.

17.3 Continuous Service:

The Parties shall continue providing services to each other during the pendency of any dispute resolution procedure, and the Parties shall continue to perform their payment obligations including making payments in accordance with this Agreement.

18.5.1 Any information such as specifications, drawings, sketches, business information, forecasts, models, samples, data, computer programs and other software and documentation of one Party (a "Disclosing Party") that is furnished or made available or otherwise disclosed to the other Party or any of its employees, contractors, or agents (its "Representatives" and with a Party, a "Receiving Party") pursuant to this Agreement ("Proprietary Information") shall be deemed the property of the Disclosing Party. Proprietary Information, if written, shall be clearly and conspicuously marked "Confidential" or "Proprietary" or other similar notice, and, if oral or visual, shall be confirmed in writing as confidential by the Disclosing Party to the Receiving Party within ten (10) days after disclosure. Unless Proprietary Information was previously known by the Receiving Party free of any obligation to keep it confidential, or has been or is subsequently made public by an act not attributable to the Receiving Party, or is explicitly agreed in writing not to be regarded as confidential, such information: (i) shall be held in confidence by each Receiving Party; (ii) shall be disclosed to only those persons who have a need for it in connection with the provision of services required to fulfill this Agreement and shall be

used by those persons only for such purposes; and (iii) may be used for other purposes only upon such terms and conditions as may be mutually agreed to in advance of such use in writing by the Parties. Whenever possible, these amounts shall be billed as a separate item on the invoice. To the extent a sale is claimed to be for resale tax exemption, the purchasing Party shall furnish the providing Party a proper resale tax exemption certificate as authorized or required by statute or regulation by the jurisdiction providing said resale tax exemption. APPENDIX A

I. LOCAL TELECOMMUNICATIONS TRAFFIC

- A. Subject to the *de minimis* exception set forth below in section I.D. below, the Parties shall reciprocally and symmetrically compensate one another for Local Telecommunications Traffic that is terminated to their respective customers at the rates set forth in §§ 5.1 and 5.2 of the Agreement.

B. Billing Method

1. Based on Measurement/Records

- a. It is the responsibility of the billing party to determine the amount to be billed.
- b. Peoples may measure, or obtain industry standard records (e.g. EMI 11-01-01 records) summarizing traffic originated by Sprint and terminating to Peoples. This information shall be used by Peoples for billing Sprint for Traffic terminating to Peoples.
- c. Sprint may either measure, obtain industry standard records summarizing traffic originated by Peoples and terminated to Sprint, or elect to use Traffic Factor billing. This information may be used by Sprint for invoicing Peoples for terminating traffic to Sprint.
- d. To the extent that the Parties rely on industry standard records or reports, the Parties agree to accept those reports or records as an accurate statement of traffic exchanged between the Parties. Either Party may perform an audit of the other Party's billing information related to terminating minutes of use of the billed Party. The Parties agree that such audits shall be performed no more than one time per calendar year. Each Party shall bear its own expenses associated with such audit. The audits shall be conducted on the premises of the audited Party during normal business hours.
- e. To the extent that there are billing disputes regarding these records or reports, such disputes may be resolved before the Commission.

2. Based on Factors

- a. *Traffic Ratio*: In the event either Party is unable to measure traffic or Sprint elects Traffic Factor billing pursuant to Section B.1, above, the Parties agree to the following Traffic Ratio Factors to estimate the proportion of total Traffic exchanged between the Parties' networks to be:

Mobile-to-Land	70%
Land-to-Mobile	30%

To the extent Sprint or Peoples has, or subsequently obtains, the ability to measure terminating usage, Sprint or Peoples may begin billing based on actual records.

- b. *Form of Billing:* When billing is based on Traffic Factors, Sprint may elect to use either the Mutual Billing or Net Billing option as specified below.

(1) **Mutual Billing**

- (a) Peoples shall bill for 100% of the Traffic originated by Sprint and terminated to Peoples; 97% of that Traffic shall be billed at the rates provided for above in Appendix A, Section I.A; and 3% of that Traffic shall be billed as provided for in Appendix A, Section II.A. below.

For example, if Sprint terminated 50,000 MOUs to Peoples in a given month, the appropriate termination compensation rate for that traffic was \$.002, the interstate access rate was \$.03 and the intrastate access rate was \$.04, the bill would be calculated as follows: \$149.50 (i.e., ((50,000 MOUs)(.97)*(\$.002)) + ((50,000 MOUs)*(.015)*(\$.030)) + ((50,000 MOUs)*(.015)*(\$.04)).*

- (b) Sprint shall calculate estimated Peoples terminating Traffic to Sprint using the following formula: Sprint shall bill Peoples based on the MOUs in (a) above (50,000 * .97), divided by 0.70 (seventy percent). The total of the calculation shall then be multiplied by 0.30 (thirty percent) to determine the Traffic originated by Peoples and terminated to Sprint.

For example, if Sprint terminated 50,000 MOUs to Peoples in a given month, bill would be calculated as follows: \$41.57 (i.e., (50,000 MOUs .97))* (30/70)* (\$.002))*

(2) **Net Billing**

Peoples shall calculate and render a "net bill" to Sprint by applying the Traffic Ratio Factors to the total MOUs of Traffic originated by Sprint and terminated to Peoples. Peoples shall calculate its "net bill" to Sprint using the following formula:

- (a) Peoples shall calculate the gross amount owed by Sprint as provided above in Appendix A., Section I.B.2.b(1)(a).

- (b) Peoples shall take total minutes of Sprint Traffic terminated by Peoples in a given month and divide that number by the Mobile-to-Land factor of 70%;
- (c) Peoples shall multiply the number calculated in “(b)” by the Land-to-Mobile factor of 30%;
- (d) Peoples shall multiply the number calculated in (c) by the appropriate rate in Appendix A., Section I.A.
- (e) Peoples shall subtract the charge calculated in “(d)” from the charge calculated in (a).

For example, if Sprint terminated 50,000 MOUs to Peoples in a given month, the appropriate termination compensation rate for that traffic was \$.002, the interstate access rate was \$.03 and the intrastate access rate was \$.04, the net bill would be calculated as follows: \$149.50 (see above) – \$41.57 (see above) = \$107.93.

- C. **Billing Interval:** Either Party may elect to bill on a monthly or quarterly basis. If either Party wishes to revise its billing method it may do so upon (30) thirty days’ written notice to the other Party.
- D. **De Minimis Exemption:** In the event the traffic exchanged between the Parties is *de minimis* such that the minutes originated by Sprint is less than 5000 minutes of use for a one-month period, the Parties agree that the only compensation for such traffic will be in the form of the reciprocal Transport and Termination service provided by the other Party, and no billings will be issued by either Party.

II. INTERMTA TRAFFIC

- A. **Traffic Ratio:** The Parties agree to the following InterMTA Traffic Factor to estimate the proportion of the InterMTA traffic originated on Sprint’s network and terminated on Peoples’ network:
 - 1. 3% of terminating Sprint MOUs.
 - 2. The 3% interMTA factor will be paid only by Sprint and will be split evenly (50/50) between intrastate and interstate jurisdictions (i.e., 50% will be charged at Peoples’ tariffed intrastate access rates and 50% will be charged at Peoples’ tariffed interstate access rates).
