RE: Petition of Kentucky Utilities Company for an Order Approving Amendment
of Existing Financing Authority, Docket No. 11-00156; First Response to Data Request

Dear Mr. Kettles,

This letter is in response to your data request dated September, 19, 2011 seeking the status and periodic updates on the similar filings of Kentucky Utilities Company ("KU") pending before the Kentucky Public Service Commission and the Virginia State Corporation Commission.

On August 17, 2011 KU filed its Application with the Kentucky Public Service Commission (Case No. 2011-00307) requesting amendment of its existing authority with respect to the revolving line of credit. On September 16, 2011, KU filed its response to Data Requests from Commission Staff dated September 8, 2011.

On September 2, 2011, KU filed its Motion with the Virginia State Corporation Commission in Case No. PUE-2010-00061 for modification of its existing financing authority. We have not heard back from the Virginia Commission.

We will continue to provide you with periodic updates and will file the orders with the TRA when they are issued by the Kentucky and Virginia Commissions.

Please contact me if you have any questions or need additional information.

Sincerely,

D. Billye Sanders
