Dear Chairman Hill:

Yesterday, I filed a Petition for Berry's Chapel Utility, Inc., the company which is now the owner and operator of the wastewater collection and treatment formerly owned by Lynwood Utility Corporation.

It is my understanding that the TRA's records still reflect that the system is owned by Lynwood. Pending a change in those records, the Petition from Berry's Chapel should be filed under the company identification number issued to Lynwood.

As Lynwood's attorney informed the TRA last year, Lynwood merged into Berry's Chapel in September, 2010, and Lynwood ceased to exist as a legal entity. "Lynwood," therefore, cannot make any filings with the TRA. On behalf of Berry's Chapel, I request that the TRA's records be amended to reflect that the owner and operator of the wastewater system formerly known as Lynwood Utility Corporation is now Berry's Chapel Utility, Inc.¹

Sincerely,

BRADLEY ARANT BOULT CUMMINGS LLP
