**Subject:** Docket 11-00181 Telmate LLC

Dear Lisa,

I am writing to you as the Regulatory Consultant to Telmate, LLC.

We are in receipt of the TRA letter dated 11/2/2011 requesting additional information for our application (docket 11-00181). As I mentioned during our telephone conversation, several of the person's needed to answer the requests were not available last week when the letter was received and we are concerned that we cannot meet the current request deadline of November 18, 2011.

With that in mind, we respectfully ask for an additional seven (7) days to respond to the requests, extending the due date to November 25, 2011. Of course we will diligently work to complete the requests as soon as possible.

If you have any questions or concerns please feel free to contact me.

We also respectfully ask that this request be added to the public record.

Sincerely;

**Joe Solana**
