Re: Docket No. 11-00181, Application of Telmate LLC, for Certificate of Authority  
to Resell Telecommunications Services in Tennessee

Dear Chairman Hill:

Pursuant to the Tennessee Open Records laws, Tenn. Code Ann. § 10-7-503, I would like to have a copy of the Applicant's responses to the Staff's data request of June 15, 2012 in the above-captioned docket. It is my understanding that those responses were filed June 20, 2012. Although the questions posed by the Staff do not appear to require the disclosure of any confidential information, it is my understanding that the Applicant marked the entire response as confidential and, therefore, nothing in the response appears on the TRA's public website.

If the Applicant's response contains information which is, in fact, "confidential" based on the criteria used in the agency's standard protective order, that information should remain under seal. Otherwise, I request that the information be placed in the public files pursuant to the agency's normal procedures.

Sincerely,

BRADLEY ARANT BOULT CUMMINGS LLP
