Re: Docket No. 11-00181, *Application of Telmate, LLC for a Certificate of Authority to Resell Telecommunications Services in Tennessee*

Dear Mr. Foster:

I am writing in response to your July 9, 2012 letter requesting the following additional information to assist the Authority in reviewing Telmate's application in the above docket.

1) In the Data Response to Question 3 filed on December 19, 2011, Telmate indicated that authorization was pending in Alabama and Wisconsin, and that Telmate expected to file applications in Indiana, Nebraska, and New York. What is the current status of Telmate's applications in Alabama and Wisconsin? Also, has Telmate filed applications in any other states? If so, what is the status of those applications?

RESPONSE: Telmate's applications in Alabama, Wisconsin, Indiana, and Nebraska were all approved within approximately 2 months from the date Telmate's application was filed in each state. Telmate did file for approval in New York on February 12, 2012, but the company has since been advised by New York PSC staff that the services Telmate offers are not regulated in New York. Telmate withdrew its New York filing on April 25, 2012. Telmate has not filed any additional applications.

To summarize, as of the date of this response, Telmate has received approval to provide services in 15 states:

1. Alabama
2. California
3. Florida
4. Georgia

7. Montana
8. Nebraska
9. New Jersey
10. New Mexico
11. Oregon
12. Texas
13. Utah
14. Washington
15. Wisconsin

2) Other than those previously stated in your data responses filed on November 29, 2011, have there been any complaints of any type, including complaints filed by or received from competing carriers, against Telmate in any other states?

RESPONSE: No.

3) Other than Tennessee, have there been any requests for intervention in any of the States and/or proceedings in which Telmate has submitted an application, notice, or request for authority to provide services? If so, please identify the states, the parties requesting intervention, and whether or not such parties were permitted to intervene?

RESPONSE: No interventions have been filed.

Should you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,
