I must have misunderstood the procedural schedule as I understood Emerson's brief to be a reply brief due the 6th. However, having said that, our issues are substantive and with the merits rather than jurisdictional. Emerson's issues relate to the bankruptcy court's termination of any interest of the Petitioner in the real property at issue and in the same court's termination of the Petitioner's previous contracts with the prior, bankrupt, owner. Therefore, our positions in this matter relate to the merits and not the Agency's jurisdiction.

Sorry for our confusion.

Mark
