RE: Application for Renewal, Amendment and Termination of Crystal Clear Certificate; to
State-issued Certificate of Franchise Authority (Docket No. 11-00208)

Dear Mr. Grimes:

On December 27, 2021, the Tennessee Public Utility Commission ("TPUC") received your application on behalf of United Telephone Company ("United") to issue the renewal, and amendment to United's state-issued certificate of franchise authority pursuant to Tenn. Code Ann. § 7-59-301, *et seq.*, also known as the Competitive Cable and Video Services Act (the "CCVSA"). The application also seeks to terminate the Certificate of Crystal Clear Technologies LLC.

Upon review, it has been determined that the application complies with the statutory requirements of the CCVSA and is therefore complete. Further action will be taken on the application as delineated within the CCVSA. Should you have any questions or concerns in this matter, please contact me at (615) 770-6889 or the address listed above. Thank you for your interest and cooperation.

Sincerest Regards,

John Hutton
