                         STONEBRIDGE SUBDIVISION.**

**DOCKET NO:      12-00004**

---

Petition of Aqua Green Utility Inc. to collect tap fees

---

Aqua Green Utility Inc. would like to ask to postpone appearing at the TRA Conference scheduled for 03/26/12, concerning our petition requesting to collect tap fees at the Stonebridge subdivision. Aqua Green Utility Inc. has submitted a soil report to TDEC for an additional piece of property and is awaiting their response. Aqua Green Utility Inc. respectfully submits that the board needs this information in order to make an informed decision concerning the utilities need to collect tap fees for the funding of the sewer system for the remaining lots. If the soil report is accepted by TDEC, it will provide adequate property to allow sewage disposal for all homeowners of the Stonebridge subdivision not just 50.

Based on the boards recommendations Advanced Septic Inc. has contracted with 50 lot owners to complete the sewer system for 50 lots. Advanced Septic Inc. has resumed work on the Stonebridge sewer system.

Once the sewer facility is complete Aqua Green Utility Inc. will provide sewer service for the lots listed below.

61, 22, 24, 56, 4, 9, 49, 7, 53, 63, 36, 83, 44, 60, 93, 5, 66, 54, 80, 21, 48, 43, 90, 106, 73, 85, 25, 6, 77, 86, 47, 1, 75, 42, 37, 57, 69, 35, 17, 31, 108, 26, 58, 23, 50, 51, 68, 94, 28, 99.

Respectfully Submitted,

Dart Kendall  
Aqua Green Utility Inc.
