Re: TRA Docket Nos. 12-00012 & 12-00026

---

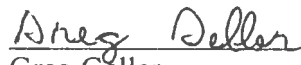

Dear Ms. Dillon:

Enclosed you will find documents that are competitively-sensitive confidential responses from EnerNOC to Kingsport Power Company's d/b/a AEP Appalachian Power's June 25, 2012, discovery requests as part of the above captioned dockets. Due to the confidential nature of the attached material these documents were not filed as part of EnerNOC's July 26, 2012, original (public) response to Kingsport's June 25, 2012, discovery requests. In accordance with the provisions of the Hearing Officer's August 2, 2012, Amended Agreed Protective Order, EnerNOC may now file this competitively-sensitive confidential material under seal.

The responsive supplemental documents are enclosed in sealed envelopes that are labeled "COMPETITIVELY-SENSITIVE CONFIDENTIAL INFORMATION" and should be filed under seal. In addition, per the terms of the Amended Agreed Protective Order, a copy of the amended agreed protective order is also enclosed.

Thank you very much for your assistance and please let me know if you have any questions.

Sincerely,

  
Greg Geller  
EnerNOC, Inc.
