ORDER GRANTING KINGSPORT POWER COMPANY D/B/A AEP APPALACHIAN POWER'S
MOTION TO ALTER PROCEDURAL SCHEDULE

This matter came before the Hearing Officer of the Tennessee Regulatory Authority ("TRA" or the "Authority") upon a *Motion to Alter Procedural Schedule* ("*Motion*") filed by Kingsport Power Company d/b/a AEP Appalachian Power ("KgPCo") on September 7, 2012. In its *Motion*, KgPCo states that as a hearing in this matter is not likely to occur before December 17, 2012, and because certain ongoing discussions occurring between the parties should receive priority, it requests that the deadline for filing rebuttal testimony is moved to October 4, 2012. Further, KgPCo states that Eastman Chemical Company and Air Products and Chemicals do not oppose the *Motion*.

Therefore, finding the request not to be unreasonable, the Hearing Officer hereby orders that the date for filing rebuttal testimony is extended up to and including October 4, 2012.

BE IT HEREBY ORDERED.

Kelly Cashman-Grams, Hearing Officer
