RE: **NOTICE** of TRA Receipt of Application for or Amendment to Certificate of Franchise Authority
and **OFFICIAL REQUEST** for Information

Dear: Mayor Greer:

On March 27, 2012, West Kentucky Rural Telephone Cooperative Corporation, Inc. d/b/a WK&T ("WK&T") applied with the Tennessee Regulatory Authority ("TRA" or "Department") for a state-issued franchise to serve Henry County. WK&T asserts that it already serves this area and wishes to convert its existing local franchise to a state cable franchise.¹ By this time, you should have already received notice from WK&T of its intention to serve your area. This and other related filings may be found on the TRA's website at <http://www.tn.gov/tra/dockets/1200023.htm>. The Department is required to send this notice so that you may act to preserve your Public, Educational and Governmental ("PEG") channels and PEG access support payments under Tenn. Code Ann. § 7-59-309.²

If the local franchise with WK&T that existed as of July 1, 2008 required it to provide PEG channels or access payments, then you may be able to receive the same number of PEG channels and equivalent support payments from WK&T under the state cable franchise.³ However, in order to claim these benefits, you must provide the TRA with information about the PEG channels and support payments negotiated under the incumbent provider's franchise *within ten (10) days* from the date you received notice from WK&T that it intended to provide cable or video service to your municipality, specifically:

- (1) The number of PEG channels that have been activated by the incumbent;
- (2) The number of PEG channels that are authorized to be activated under the incumbent franchise; and,
- (3) The amount of any fee or other payment for PEG access support required under the incumbent franchise.⁴

Please use the enclosed self-addressed envelope to send the above information to:
