DOCKET NO. 12-00030

PETITIONER'S NOTICE

Petitioner, the Laurel Hills Condominiums Property Owners Association ("Laurel Hills" or "Petitioner") hereby files its Notice requested by the Tennessee Regulatory Authority ("TRA" or "Authority") in its order dated April 18, 2013 (the "Order"). The Order required the Petitioner to provide notice if it had divested the system by June 7, 2013.

To date, the Petitioner has not divested the system. On May 8, 2013, Petitioner sent a letter to Crab Orchard Utility District ("Crab Orchard") offering to sell the water system to it. On May 16, 2013, Crab Orchard, via letter from its attorney, stated that "at this time [Crab Orchard is] not interested in purchasing the waterlines and/or tank from Laurel Hills..."

Petitioner also requested that the Tennessee Association of Utility District publish a notice that Laurel Hills was seeking to sell its water system.¹ To date, Laurel Hills has received no response to this solicitation.

Finally, Laurel Hills has contacted Pluris regarding its interest in purchasing the water system. Pluris has not declined this offer and the parties continue to discuss a possible sale of the water system to Pluris.

As a result of the above-identified good faith efforts to divest itself, Laurel Hills

respectfully requests that the Commission provide an additional sixty days for Laurel Hills to divest the water system.
