**BEFORE THE TENNESSEE REGULATORY AUTHORITY
NASHVILLE, TENNESSEE**

**In re: PETITION OF LAUREL HILLS CONDOMINIUMS PROPERTY OWNERS
ASSOCIATION FOR A CERTIFICATE OF PUBLIC CONVENIENCE AND
NECESSITY**

DOCKET NO. 12-00030

**NOTICE OF REINSTATEMENT OF PETITION, TARIFF FILING AND INTENT TO
FILE AMENDED PETITION**

COMES NOW the Petitioner, Laurel Hills Condominiums Property Owners Association (“Laurel Hills”) and files this Notice of Reinstatement of Petition, Tariff Filing and Intent to File Amended Petition (the “Notice”).

On May 7, 2012, Laurel Hills filed a Notice of Voluntary Withdrawal of Petition (the “Withdrawal”) seeking to withdraw Laurel Hill’s Petition for a Certificate of Public Convenience and Necessity (the “Petition), which was filed in the above-identified docket on April 8, 2012. Through this Notice it is Laurel Hill’s intention that the Petition be reinstated for the purpose of obtaining a certificate of public convenience and necessity from the Tennessee Regulatory Authority (the “Authority).

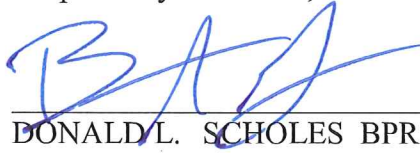

This Notice has been filed in accordance with the temporary injunction issued by Chancellor Ronald Thurman on July 12, 2012, in *Tennessee Regulatory Authority v. Laurel Hills Condominiums Property Owners Association, Inc.*, Cumberland County Chancery Court No. 2012-CH-560 and in accordance with the agreements of counsel for the Authority and Laurel Hills at the hearing for temporary injunction.

As directed by Chancellor Thurman, Laurel Hills is filing with this Notice, a tariff with the Authority implementing a monthly water service rate of \$43.20 per month per residential unit

for Laurel Hills' customers and setting forth the conditions for the discontinuance of service for nonpayment as requested by Chancellor Thurman until the Authority acts on the Petition.

Laurel Hills intends to file an Amended Petition with the Authority in this docket setting forth additional facts and information which it deems the Authority should consider in granting a certificate and setting rates to allow Laurel Hills to receive sufficient revenues to cover its cost of service and to recover its outstanding debts and obligations which threaten its ability to continue to provide water service with its water system.

Respectfully submitted,

Dated July 20, 2012
