**Subject:** TAW's Responses to TRA's Data Requests - follow-up

Darlene,

First, TAW is currently billing 11 different municipalities or sewer entities. Two of these are garbage and would not need to receive water usage data. Next, the account number in which the third party billing is currently recorded is Account Number 403103, which is part of Other Revenues on our Income Statement.

Please confirm receipt of this email and let us know if you have any other questions.

Thanks so much.

Melvin
