NOTICE OF FILING

IN RE: *Application of Bristol Tennessee Essential Services for Expanded Certificate of Public Convenience and Necessity to Provide Competing Telecommunications Services Statewide*

DOCKET NO.: 12-00060

DATE: May 29, 2013

On May 28, 2013, the Tennessee Cable Telecommunications Association ("TCTA") filed a *Response to Motion of Bristol Tennessee Essential Services to Dismiss Petition Based Upon a Change of Law and CenturyLink's Petition for Declaratory Ruling* with the Tennessee Regulatory Authority ("Authority"). Although the filing was not timely under the TRA Rules, in the exercise of discretion, the Hearing Officer permitted the late filing in order that the record might be clarified concerning TCTA's position on the issues for determination.

THEREFORE, any party to this action desiring to file a reply to TCTA's *Response* may file such reply with the Authority by **2:00 P.M. ON WEDNESDAY, JUNE 5, 2013**.
