LEGAL NOTICE

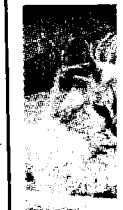

Notice is hereby given that Amos Energy Corporation (the Company) filed a Petition with the Tennessee Regulatory Authority (TRA) on June 22, 2012 in Docket 12-00664, proposing to change its rates for natural gas service now in effect. The rates proposed by the Company are subject to approval by the TRA. The TRA may adopt, reject, increase or decrease any of the proposed rates in part or in whole. A complete copy of the proposed rate changes and the reasons for them are on file with the TRA and are available for public inspection. A complete copy is also available in the Company's local offices. The Company has requested this change in rates in order to permit it an opportunity to recover its reasonable operating costs and to earn a fair and reasonable return on its investments. The predicted impact of the proposed changes on the average residential customer is an increase of approximately \$49.43 per year. The predicted impact of the proposed changes on the average small commercial class customer is an increase of approximately \$209.55 per year. The matter is set for hearing November 7 through November 9, beginning at 9:00 a.m. or as soon thereafter as it may be heard, in the TRA's Hearing Room on the ground floor at 460 James Robertson Parkway, Nashville, Tennessee. The Company's current and proposed rates are as follows and do not include gas cost that is recovered through the Purchased Gas Adjustment.

The Company has requested this change in rates in order to permit it an opportunity to recover its reasonable operating costs and to earn a fair and reasonable return on its investments. The predicted impact of the proposed changes on the average residential customer is an increase of approximately \$49.43 per year. The predicted impact of the proposed changes on the average small commercial class customer is an increase of approximately \$209.55 per year. The matter is set for hearing November 7 through November 9, beginning at 9:00 a.m. or as soon thereafter as it may be heard, in the TRA's Hearing Room on the ground floor at 460 James Robertson Parkway, Nashville, Tennessee. The Company's current and proposed rates are as follows and do not include gas cost that is recovered through the Purchased Gas Adjustment.

LEGAL NOTICE

Notice is hereby given that Atmos Energy Corporation (the Company) filed a Petition with the Tennessee Regulatory Authority (TRA) on June 22, 2012 in Docket 12-00064, proposing to change its rates for natural gas service now in effect. The rates proposed by the Company are subject to approval by the TRA. The TRA may adopt, reject, increase or decrease any of the proposed rates in part or in whole. A complete copy of the proposed rate changes and the reasons for them are on file with the TRA and are available for public inspection. A complete copy is also available in the Company's local offices. The Company has requested this change in rates in order to permit it an opportunity to recover its reasonable operating costs and to earn a fair and reasonable return on its investments. The predicted impact of the proposed changes on the average residential customer is an increase of approximately \$49.43 per year. The predicted impact of the proposed changes on the average small commercial class customer is an increase of approximately \$209.55 per year. The matter is set for hearing November 7 through November 9, beginning at 9:00 a.m. or as soon thereafter as it may be heard, in the TRA's Hearing Room on the ground floor at 460 James Robertson Parkway, Nashville, Tennessee. The Company's current and proposed rates are as follows and do not include gas cost that is recovered through the Purchased Gas Adjustment.

LEGAL NOTICE
Notice is hereby given that Amco Energy Corporation (the Company) filed a Petition with the Tennessee Regulatory Authority (TRA) on June 22, 2012 in Docket 12-00061, proposing to change its rates for natural gas service new to service. The rates proposed by the Company are subject to approval by the TRA. The TRA may adjust, reject, increase or decrease any of the proposed rates in part or in whole. A complete copy of the proposed rate changes and the reasons for them are on file with the TRA and are available for public inspection. A complete copy is also available in the Company's local offices. The Company has requested this change in rates in order to permit it an opportunity to recover its reasonable operating costs and to earn a fair and reasonable return on its investments. The predicted impact of the proposed changes on the average residential customer is an increase of approximately \$49.43 per year. The predicted impact of the proposed changes on the average small commercial customer is an increase of approximately \$209.55 per year. The matter is set for hearing November 7 through November 9, beginning at 9:00 a.m. or as soon thereafter as it may be heard, in the TRA's Hearing Room on the ground floor at 460 James Robertson Parkway, Nashville, Tennessee. The Company's current and proposed rates are as follows and do not include gas cost that is recovered through the Purchased Gas Adjustment.

LEGAL NOTICE

Notice is hereby given that Atmos Energy Corporation (the Company) filed a Petition with the Tennessee Regulatory Authority (TRA) on June 22, 2012 in Docket 12-00064, proposing to change its rates for natural gas service now in effect. The rates proposed by the Company are subject to approval by the TRA. The TRA may adopt, reject, increase or decrease any of the proposed rates in part or in whole. A complete copy of the proposed rate changes and the reasons for them are on file with the TRA and are available for public inspection. A complete copy is also available in the Company's local offices. The Company has requested this change in rates in order to permit it an opportunity to recover its reasonable operating costs and to earn a fair and reasonable return on its investments. The predicted impact of the proposed changes on the average residential customer is an increase of approximately \$49.43 per year. The predicted impact of the proposed changes on the average small commercial class customer is an increase of approximately \$209.55 per year. The matter is set for hearing November 7 through November 9, beginning at 9:00 a.m. or as soon thereafter as it may be heard. In the TRA's Hearing Room on the ground floor at 460 James Robertson Parkway, Nashville, Tennessee. The Company's current and proposed rates are as follows and do not include gas cost that is recovered through the Purchased Gas Adjustment.
