SUPPLEMENTAL RESPONSE (8/23/2012)

REQUEST:

Please provide the following information by employee for Company 093 for each month of the fiscal year ended March 31, 2012.

- a. Total hours;
- b. Total pay;
- c. Regular hours;
- d. Regular pay;
- e. Overtime hours;
- f. Overtime pay;
- g. Hours transferred out to other jurisdictions;
- h. Pay transferred out to other jurisdictions; and
- i. Business reason for hours and pay transferred out to other jurisdictions.

SUPPLEMENTAL RESPONSE:

Please see supplemental Attachment 1 for the pay transferred to other jurisdictions for the period April 2011 through March 2012. The responsive information is confidential and is being provided subject to the entry of a proposed confidentiality order. A hard-copy response and an electronic response are included in separate sealed envelopes which have been marked "CONFIDENTIAL". The Company does not have the number of hours associated with this pay available.

Labor hours and pay transferred into and out of particular jurisdictions is the result of employees coding their timesheets to properly reflect work done on behalf of those jurisdictions. For example, if a crew based in Kentucky travels to Tennessee to work on a project, it is appropriate for those employees to code their timesheets to Division 093 (TN). This would be reflected in our payroll system as a transfer out of Kentucky and into Tennessee.
