Re: *Complaint of Community Television of Knoxville*
Docket No. 12-00082

Dear Chairman Allison:

As directed by the panel assigned to this docket, AT&T Tennessee submits this letter to confirm that it has replaced the PEG encoders at issue. On January 17, 2013, AT&T replaced the encoders, and the PEG channels for Knoxville and Knox County are now viewable by AT&T's U-Verse video subscribers.

Please include a copy of this letter in the record for this docket.

Very truly yours,

Joelle Phillips
