EXECUTIVE SUMMARY

Dated July 3, 2013

TRANSACTION ANALYSIS AND RESULTS

On June 4, 2013, Entergy Arkansas, Inc. ("EAI"), issued \$125,000,000 aggregate principal amount of First Mortgage Bonds (the "Bonds") at an annual interest rate of 4.75%. EAI intends to use the net proceeds it receives from the issuance, together with other available corporate funds, to repay at maturity our first mortgage bonds due August 2013 in the aggregate principal amount of \$300 million bearing interest at 5.40% per year and for general corporate purposes. Pending the application of the net proceeds, EAI will invest them in short-term, highly liquid, high-rated money market instruments and/or the Entergy system money pool. The net proceeds from the issuance were approximately \$120.7 million after deducting underwriting discounts and commissions and estimated offering expenses payable by EAI. Actual expenses will not be known for several months subsequent to closing.

Subsequent to the issuance of the Bonds (assuming that \$100 million of the proceeds from this issuance will be used to repay at maturity our first mortgage bonds due August 2013), \$525 million in first mortgage bonds remain authorized under the Arkansas Public Service Commission Order issued in docket no. 12-059-U (the "2012 Order"). All other amounts authorized under the Order are unchanged.
