DIRECT TESTIMONY OF GEORGE L. POTTER
ON BEHALF OF EMERSON PROPERTIES, LLC.

October 10, 2013

1 Q. **Please state your name and address for the record.**

2 A. My name is George L. Potter, and my business address is 10325 Yellow Pine, Knoxville,
3 Tennessee 37932.

4 Q. **What is your position with Emerson Properties, LLC, which will hereinafter be referred to as**
5 **"Emerson"?**

6 A. I am a member of Emerson and I am the Chief Manager.

7 Q. **How did Emerson become interested in the real property known as the Villages at Norris Lake**
8 **Subdivision in Campbell County, Tennessee?**

9 A. In late 2008, I was involved in the operation of a development and marina located in close
10 proximity on Norris Lake to the subdivision and development known as the Villages at Norris
11 Lake. We learned that the owner of the development at that time had filed bankruptcy
12 proceedings in Florida in mid 2008 and we were contacted by a realty company about our
13 potential interest in the property. The development and marina that we were operating at that
14 time were similar in nature to the proposed development at the Villages at Norris Lake, which
15 also included the development and operation of a marina in the future.

16 Q. **What did you do on behalf of Emerson after being contacted and learning that such real estate**
17 **was for sale?**

18 A. We worked with the realtor to investigate and conduct diligence with regard to the potential
19 purchase and ultimately decided to pursue the purchase of that real estate and the
20 development.

21 Q. **And what did you do in connection with that decision?**

22 A. We pursued the purchase of the property through the bankruptcy proceedings, made a bid in
23 the bankruptcy auction proceedings and Emerson was ultimately the successful bidder at the
24 bankruptcy sale.

25 Q. **And did you ultimately close on the purchase of the property?**

26 A. Yes.

1 Q. **Do you recognize Exhibit 1 hereto to be a true and exact copy of the deed for the purchase of**
2 **the property that has been recorded in the Campbell County Register of Deed's Office?**

3 A. Yes.

4 Q. **And the deed also contains as an attachment a copy of the bankruptcy court order of sale?**

5 A. Yes.

6 Q. **What else, other than the real estate, did Emerson purchase from the bankruptcy proceedings**
7 **relative to the development of the Villages at Norris Lake?**

8 A. We were suppose to have acquired all other assets belonging to that developer relative to that
9 development which included some physical assets to have been used in connection with the
10 sewer system and waste water treatment plant.

11 Q. **Where were those assets located?**

12 A. We later determined that some items of equipment were located at premises appearing to
13 belong to Tennessee Waste Water System, Inc. or Utility Capacity Corporation, Inc. which we
14 believed to be an affiliate of or related to Tennessee Waste Water System, Inc.

15 Q. **And what did you do about retrieving the equipment?**

16 A. We made contact with Michael Hines, who is an officer of Utility Capacity Corporation, Inc. and
17 was the Vice President for Tennessee Waste Water System, Inc. at that time.

18 Q. **What did you do with regard to the equipment?**

19 A. I spoke with Mr. Hines about obtaining possession of the equipment and he refused to allow us
20 to pick up the equipment.

21 Q. **What other conversations did you have with Mr. Hines?**

22 A. Mr. Hines also discussed the fact that Tennessee Waste Water Systems, Inc., held the
23 certificates of convenience and need for the waste water treatment plant and that until
24 Emerson paid \$100,000.00 to them, they would do no further work in this development.

25 Q. **Did you on behalf of Emerson agree to pay the \$100,000.00?**

1 A. No.

2 Q. **What, if anything, did Emerson owe to Tennessee Waste Water Systems, Inc. at that time.**

3 A. Nothing.

4 Q. **In February of 2009, at the time of the purchase of the property by Emerson, what was the**
5 **status of the development?**

6 A. At that point, very few roads have been completed although some had been "roughed" in. It
7 was very apparent to us that many lots had been purchased by individuals without ever
8 accessing or inspecting the lots since many were unaccessable at all. We understand some were
9 viewed from helicopters. At the time of our purchase, no more than 20% of the water and
10 sewer lines for the development were installed and very few utility lines had been installed.
11 There was a very nice gate at the front of the development and probably less than a mile of
12 paved roads into the development.

13 Q. **What else happened in the bankruptcy proceedings regarding the development?**

14 A. The attorneys for the bankrupt developer also filed motions to cancel all contracts with
15 Tennessee Wastewater Systems, Inc. and Utility Capacity Corporation, Inc. in the bankruptcy
16 proceedings pursuant to the Bankruptcy Code.

17 Q. **What happened next?**

18 A. The Motion was ultimately granted.

19 Q. **Do the documents attached hereto as Exhibit 2 reflect true and exact copies of the Motion and**
20 **Bankruptcy Court Orders terminating the contracts of the Utility Capacity Corp. Inc. and**
21 **Tennessee Waste Water Systems, Inc.?**

22 A. Yes.

23 Q. **What did Emerson do next regarding the development?**

1 A. For the next several months, we just tried to get organized in terms of seeing what the status of
2 the actual development was and began pursuing the development of the property.

3 Q. **Briefly describe the development project itself?**

4 A. The subdivision as planned by the prior developer consisted of approximately 630 acres, some
5 of which fronted Norris Lake and some of which was across the county road and has a very
6 steep terrain.

7 Q. **What changes if any did Emerson subsequently elect to make to the development?**

8 A. As our Engineers, Contractors, and other experts reviewed the property that was actually across
9 the road from the lake, we determined that many of the lots that had previously been sold were
10 on property that was such a steep terrain, it would not be economically feasible to develop
11 roads or water and sewer lines to that property. So we developed plans to exchange lots with
12 individuals who had previously purchased these lots on steep grades for lots that were what I
13 call down the hill or down the mountain. We identified approximately 70 lots that we wanted to
14 move off of the ridge tops and to date have accomplished approximately 60 of those swaps. We
15 also decided to move the location of the private waste water treatment plant and have swapped
16 some lots with some owners to accomplish that.

17 Q. **Concerning the waste water treatment plant, what waste water utilities are available for this**
18 **subdivision?**

19 A. The subdivision is located outside any municipal regions and the previous developer had
20 planned to install a private waste water treatment facility on the property. We understand the
21 system was to have been operated by Tennessee Waste Water Systems, which is why it
22 obtained the certificate of convenience and need in this matter.

23 Q. **And what did Emerson do with regard to the possibility of Tennessee Waste Water Systems**
24 **continuing to operate the facility after Emerson purchased the property?**

25 A. After our communications with Mr. Hines, Emerson was not going to pay the \$100,000.00
26 therefore we began making arrangements with other providers.

27 Q. **And have you eventually or subsequently made those arrangements?**

1 A. Yes. The Caryville-Jackboro Utility Commission has agreed to operate the system once it is
2 installed and DHS Enterprises has agreed to install the system once these matters are resolved.

3 Q. **Since your conversations with Mr. Hines and prior to the institution of these proceedings by**
4 **Tennessee Waste Water System, what other communications did you have with Tennessee**
5 **Waste Water Systems, Inc.**

6 A. None, until this action was commenced.

7 Q. **So from Emerson's purchase of the property in February, 2009, to present, what services have**
8 **been rendered to the property or to Emerson by Utility Capacity Corp.?**

9 A. None.

10 Q. **From Emerson's purchase of the property in February, 2009 to the present, what services have**
11 **been rendered by Tennessee Waste Water Systems, Inc.?**

12 A. None.

13 Q. **Did you obtain a title examination on the property in connection with your purchase or in**
14 **connection with Emerson's ownership on the property.**

15 A. Yes, we did.

16 Q. **What did the title searches reveal regarding easements or other rights or interest in favor of**
17 **Tennessee Waste Water System, Inc.?**

18 A. Tennessee Waste Water System, Inc. has no recorded interest in the real estate or otherwise.

19 Q. **To your knowledge what rights does Tennessee Waste Water System Inc., have to enter upon**
20 **the property owned by Emerson.**

21 A. None, other than any rights that may be result of certificate of convenience and need.

22 Q. **What has Emerson done to finance the purchase and development of the property?**

23 A. We have obtained various loans from financial institutions to fund the purchase and
24 development of the property.

25 Q. **What collateral did Emerson pledge in connection with those loans?**

1 A. We pledged virtually all of the real estate of the development including the property that was
2 going to house the Waste Water Treatment Facility as originally planned by the Tennessee
3 Waste Water System, Inc. and the Utility Capacity Corporation, Inc.

4 Q. **Which financial institution holds a mortgage upon the property that was to contain the waste**
5 **water treatment facility.**

6 A. Progressive Savings Bank.

7 Q. **Do you recognize the document attached hereto as Exhibit 3 to be a true and exact copy of the**
8 **Deed of Trust in favor of that bank?**

9 A. Yes.

10 Q. **Will you briefly summarize Emerson's position as to why the Tennessee Regulatory Authority**
11 **should terminate or revoke the certificate of convenience and need in favor of Tennessee**
12 **Waste Water Systems, Inc. for the property known as the Villages at Norris Lake?**

13 A. Tennessee Waste Water Systems has no contracts nor any interest in the real estate that
14 constitutes the subdivision of the Villages at Norris Lake.

15 Since February of 2009 it has performed absolutely no services in connection with certificate of
16 convenience and need held by it. Because it has no contracts and no interest in the land, it has
17 no legal rights or basis to perform any such services and is unable to perform any such services.
18 Further, the assets, namely the real estate, that will constitute the area where the waste water
19 system will be located are encumbered and Tennessee Waste Water Systems, Inc. does not
20 presently have an interest in that property and cannot hold that property free and clear.
21 Also, the initial demand by Mr. Hines for the payment of \$100,000.00 was inappropriate and
22 placed Emerson in an unfair bargaining position and Emerson felt it was not proper to continue
23 to transact any business with Utility Capacity Corporation, Inc. or Tennessee Waste Water Systems,
24 Inc. at that point. For these reasons we feel that there is both a statutory and regulatory basis
25 to terminate the Certificate of Convenience and Need held by Tennessee Waste Water Systems,
26 Inc. so that Emerson may pursue other alternatives with properly licensed utilities agencies and
27 not be in an unfair bargaining position.

28 Q. **Does this end your testimony?**

1 A. Yes.

In re: Chapter 11 Cases
LAND RESOURCE, LLC, *et al.* Case No. 6:08-bk-10159-ABB
Jointly Administered with cases
6:08-bk-10159 through 6:08-bk-10192 and
6:08-bk-11675
Debtors.

APPLICABLE DEBTOR:

Villages at Norris Lake, LLC
(Case No. 6:08-bk-10192-ABB)

**ORDER AUTHORIZING (1) SALE OF SUBSTANTIALLY ALL OF
THE DEBTOR'S ASSETS FREE AND CLEAR OF LIENS,
CLAIMS AND ENCUMBRANCES, AND (2) OTHER RELATED RELIEF**

THIS CAUSE having come before the Court on January 22, 2009 at 10:00 a.m. in Orlando, Florida, upon the hearing (the "Sale Hearing") to consider the motion (the "Sale Motion") (D.E. No. 137) to approve the sale of substantially all of the assets of Villages at Norris Lake, LLC (the "Selling Debtor") to Emerson Properties, LLC (the "Buyer") pursuant to the terms of that certain Purchase and Sale Agreement dated as of January 16, 2009, as amended effective as of January 21, 2009 (the "APA"). The Court, having reviewed the Sale Motion, the *Order (A) Approving Bidding Procedures for the Sale of a Portion of or Substantially all of the Debtor's Assets, (B) Approving Certain Bidder Protections, and (C) Scheduling a Final Sale Hearing and Approving the Form and Manner of Notice Thereof* (the "Bid Procedures Order")¹ (D.E. No. 173) and the record in this case, having considered the evidence presented

¹ Capitalized terms used in this Order and not otherwise defined herein shall have the meanings ascribed to such terms in the Bid Procedures Order

and having determined that and it appearing to the Court that: (i) it has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; (ii) this is a core proceeding pursuant to, *inter alia*, 28 U.S.C. § 157(b)(2)(A) and (N); and (iii) the Court being fully advised in the premises and having determined that the legal and factual bases set forth in the Sale Motion and the record establish just cause for the relief granted herein;

IT IS FOUND AND DETERMINED THAT:

1. The Sale Motion sought authority to approve a sale of substantially all of the estate's assets (the "Sale") pursuant to the procedures approved by the Court in the Bid Procedures Order (the "**Bid Procedures**").

2. On or before January 16, 2009 and in accordance with the Bid Procedures Order, Buyer delivered the APA to the Selling Debtor and funded a deposit of \$100,000. Buyer was designated by the Selling Debtor as the "Stalking Horse" and no other bids were received prior to January 16, 2009, the deadline to submit bids. Accordingly, Buyer submitted the highest and best bid for the Purchased Assets.

3. Notice of the Sale and of the Sale Hearing was served upon all creditors, parties asserting an interest in the Purchased Assets, parties requesting notice, as well as the Office of the United States Trustee. Proper, timely, adequate and sufficient notice of the Sale Motion and the Sale Hearing thereon has been provided in accordance with Rules 2002, 6004 and 6006 of the Federal Rules of Bankruptcy Procedure and no other or further notice of the Sale Motion, the Sale or the entry of this Order is necessary.

4. One conditional objection was filed by Bond Safeguard (the "**Objection**") (D.E. No. 249), which was withdrawn at the hearing. No objections to the proposed sale of the Purchased Assets pursuant to the terms of the APA were filed by any parties asserting an interest in the Purchased Assets to be sold and thus all such parties are deemed to have consented to the

sale in accordance with the provisions of section 363(f)(2) of the Bankruptcy Code. Moreover, a sale free and clear of such interests may be authorized by the Court pursuant to sections 363(f)(1) and 363(f)(5) of the Bankruptcy Code because applicable nonbankruptcy law permits sales free and clear of such interests and the holders of such interests could be compelled in a legal or equitable proceeding to accept a money satisfaction of such interest.

5. The APA (as may be modified by this Order) constitutes the Highest and Best Bid received by the Selling Debtor for the Purchased Assets. The APA provides, among other things, for a purchase price of \$1,000,000.

6. Buyer is a purchaser acting in good faith who is entitled to the protections offered to such good faith purchasers, as that term is utilized in Section 363(m) of the Bankruptcy Code.

7. The Sale of the Purchased Assets has been undertaken in good faith and at arms' length by and between the Selling Debtor and Buyer.

8. The Selling Debtor has advanced sound business reasons for selling the Purchased Assets, and it is a reasonable exercise of the Selling Debtor's business judgment and it is in the best interest of the estate to sell the Purchased Assets and for the Selling Debtor to execute, deliver and perform its obligations under the APA.

9. The total consideration to be realized by the estates pursuant to the Sale is fair and reasonable, and the Sale of the Purchased Assets is in the best interests of the estate. Accordingly, it is

ORDERED, ADJUDGED and DECREED that:

A. The Selling Debtor's designation of the Buyer as the Stalking Horse Bidder is approved. Buyer submitted the highest and best bid for the Purchased Assets with a bid of \$1,000,000.

B. The APA is approved in all respects. The Buyer and Selling Debtor are authorized and directed to undertake each of the transactions authorized thereby and this Order, including, but not limited to, closing on the sale of the Purchased Assets according to terms agreed by the parties.

C. The Sale Motion is GRANTED as to the Purchased Assets in its entirety. At closing, the Selling Debtor is authorized and directed to (i) pay the 2008 ad valorem taxes on the Purchased Assets, (ii) pay usual and customary closing costs, and (iii) deliver the net proceeds of the sale to Key Bank National Association, as agent and lender, for application as provided in the Final Order (I) Authorizing Post-Petition Secured Superpriority Financing Pursuant to Bankruptcy Code Sections 105(a), 362, 364(c)(1), 364(c)(2), 364(c)(3) and 364(d), (II) Authorizing the Debtors' Use of Cash Collateral Pursuant to Bankruptcy Code Section 363(c),k (III) Granting Adequate Protection Pursuant to Sections 361, 363 and 364 of the Bankruptcy Code, and (IV) Modifying the Automatic Stay (the "(Financing Order)") [D.E. 174].

D. Pursuant to Sections 363(b) and (f) of the Bankruptcy Code, and for the total consideration to be paid for the Purchased Assets, the Selling Debtor is authorized and directed to sell and transfer all of the right, title and interest of the estates in and to the Purchased Assets free and clear of Encumbrances (defined in paragraph E below) to Buyer.

E. The Sale of the Purchased Assets is approved in its entirety, and the Selling Debtor is hereby authorized, empowered and directed to execute and deliver such documents and perform all things necessary to effectuate this Order and to consummate the transactions contemplated by this Order, the APA, and pursuant to the Sale Motion. Each Manager, President, any Vice President, and the Secretary of the Selling Debtor (each a "Proper Officer"), is hereby authorized and directed to execute and deliver any and all documents reasonably

necessary to consummate the Sale in the name and on behalf of the Selling Debtor, or otherwise to take all actions (including, without limitation, (i) negotiation, execution, delivery, and filing of any agreements, certificates, or other instruments or documents, (ii) the payment of any consideration, and (iii) the payment or expenses and taxes) as such Proper Officer may deem necessary, appropriate, or advisable in order to consummate the transactions contemplated by the APA and this Order. All acts of any Proper Officer taken pursuant to the authority granted herein, or having occurred prior to the date hereof in order to effect such transactions, are hereby approved, adopted, ratified, and confirmed in all respects. Pursuant to section 363(b) and (f) of the Bankruptcy Code, upon consummation of the sale of the Purchased Assets, the Purchased Assets are sold and transferred to Buyer free and clear of any and all liens, claims, liabilities, encumbrances and other interests, whether or not allowable (as such terms are defined in the Bankruptcy Code), security interests, title retentions, charges, and any other interest in such property of an entity, including, but not limited to, any taxing or municipal authority (collectively, the "Encumbrances"), in existence as of the Closing Date, whether arising prior or subsequent to the Petition Date (as defined in the Sale Motion), with such Encumbrances thereafter only attaching to the proceeds of the Sale, with the same priority, validity, force and effect as they now have against the Purchased Assets.

F. The provisions of this Order authorizing the Sale of the Purchased Assets free and clear of Encumbrances shall be self-executing and shall constitute a satisfaction and release of all liens, claims, liabilities, charges, encumbrances and other interests on the Purchased Assets. Neither the Debtor nor shall be required to execute or file releases, termination statements, assignments, consignments, or other instruments in order to effectuate, consummate and implement the foregoing provisions; provided, however, that this decretal paragraph shall not

Buyer is further authorized to execute and file a certified copy of this Order and such additional statements, instruments, releases or other documents as are necessary or commercially reasonable to discharge liens recorded on public records.

G. In the event that Buyer fails to close in accordance with the terms of the APA and this Order such failure to close shall result in the forfeiture of Buyer's deposit to the estate without further order of the Court.

H. The APA and related documents may be modified, amended or supplemented by the parties thereto without further order of the Court, provided that any such modification, amendment or supplement is not material.

I. Each and every federal, state and local governmental agency or department is hereby directed to accept any and all documents and instruments necessary and/or appropriate, including without limitation a certified copy of this Order, to consummate the transactions contemplated by this Order.

J. This Order shall be binding upon and inure to the benefit of the Selling Debtor's estate, and their respective assignees.

The Related Documents are hereby made a part of this Security Instrument by reference thereto, with the same force and effect as if fully set forth herein.

INDEBTEDNESS. This Security Instrument secures the principal amount shown above as may be evidenced by a promissory note or notes of even, prior or subsequent date hereto, including future advances and every other indebtedness of any and every kind now or hereafter owing from Grantor and Mirobo, LLC to Lender, howsoever created or arising, whether primary, secondary or contingent, together with any interest or charges provided in or arising out of such indebtedness, as well as the agreements and covenants of this Security Instrument and all Related Documents (hereinafter all referred to as the "Indebtedness").

FUTURE ADVANCES. To the extent permitted by law, this Security Instrument will secure future advances as if such advances were made on the date of this Security Instrument, regardless of the fact that from time to time there may be no balance due under the note. This Security Instrument secures obligatory advances that are being used for commercial purposes.

CROSS COLLATERALIZATION. It is the expressed intent of Grantor to cross collateralize all of its Indebtedness and obligations to Lender, howsoever arising and whensoever incurred.

WARRANTIES. Grantor, for itself, its heirs, personal representatives, successors, and assigns, represents, warrants, covenants and agrees with Lender, its successors and assigns, as follows:

Performance of Obligations. Grantor promises to perform all terms, conditions, and covenants of this Security Instrument and Related Documents in accordance with the terms contained therein.

Defense and Title to Property. At the time of execution and delivery of this instrument, Grantor is lawfully seised of the estate hereby conveyed and has the exclusive right to mortgage, grant, convey and assign the Property. Grantor covenants that the Property is unencumbered and free of all liens, except for encumbrances of record acceptable to Lender. Further, Grantor covenants that Grantor will warrant and defend generally the title to the Property against any and all claims and demands whatsoever, subject to the easements, restrictions, or other encumbrances of record acceptable to Lender, as may be listed in the schedule of exceptions to coverage in any abstract of title or title insurance policy insuring Lender's interest in the Property.

Condition of Property. Grantor promises at all times to preserve and to maintain the Property and every part thereof in good repair, working order, and condition and will from time to time, make all needful and proper repairs so that the value of the Property shall not in any way be impaired.

Removal of any Part of the Property. Grantor promises not to remove any part of the Property from its present location, except for replacement, maintenance and relocation in the ordinary course of business.

Alterations to the Property. Grantor promises to abstain from the commission of any waste on the Property. Further, Grantor shall make no material alterations, additions or improvements of any type whatever to the Property, regardless of whether such alterations, additions or improvements would increase the value of the Property, nor permit anyone to do so except for tenant improvements and completion of items pursuant to approved plans and specifications, without Lender's prior written consent, which consent may be withheld by Lender in its sole discretion. Grantor will comply with all laws and regulations of all public authorities having jurisdiction over the premises relating to the use, occupancy and maintenance thereof and shall upon request promptly submit to Lender evidence of such compliance.

Due on Sale - Lender's Consent. Grantor shall not sell, further encumber or otherwise dispose of, except as herein provided, any or all of its interest in any part of or all of the Property without first obtaining the written consent of Lender. If any encumbrance, lien, transfer or sale or agreement for these is created, Lender may declare immediately due and payable, the entire balance of the Indebtedness.

Insurance. Grantor promises to keep the Property insured against such risks and in such form as may within the sole discretion of Lender be acceptable, causing Lender to be named as loss payee or if requested by Lender, as mortgagee. The insurance company shall be chosen by Grantor subject to Lender's approval,

which shall not be unreasonably withheld. All insurance policies must provide that Lender will get a minimum of 10 days notice prior to cancellation. At Lender's discretion, Grantor may be required to produce receipts of paid premiums and renewal policies. If Grantor fails to obtain the required coverage, Lender may do so at Grantor's expense. Grantor hereby directs each and every insurer of the Property to make payment of loss to Lender with the proceeds to be applied, only at Lender's option, to the repair and replacement of the damage or loss or to be applied to the Indebtedness with the surplus, if any, to be paid by Lender to Grantor.

Payment of Taxes and Other Applicable Charges. Grantor promises to pay and to discharge liens, encumbrances, taxes, assessments, lease payments and any other charges relating to the Property when levied or assessed against Grantor or the Property.

Environmental Laws and Hazardous or Toxic Materials. Grantor and every tenant have been, are presently and shall continue to be in strict compliance with any applicable local, state and federal environmental laws and regulations. Further, neither Grantor nor any tenant shall manufacture, store, handle, discharge or dispose of hazardous or toxic materials as may be defined by any state or federal law on the Property, except to the extent the existence of such materials has been presently disclosed in writing to Lender. Grantor will immediately notify Lender in writing of any assertion or claim made by any party as to the possible violation of applicable state and federal environmental laws including the location of any hazardous or toxic materials on or about the Property. Grantor indemnifies and holds Lender harmless from any liability or expense of whatsoever nature incurred directly or indirectly as a result of Grantor's violation of applicable local, state and federal environmental laws and regulations or Grantor's involvement with hazardous or toxic materials.

Financial Information. Grantor agrees to supply Lender such financial and other information concerning its affairs and the status of any of its assets as Lender, from time to time, may reasonably request. Grantor further agrees to permit Lender to verify accounts as well as to inspect, copy and to examine the books, records and files of Grantor.

Lender's Right to Enter. Lender or Lender's agents shall have the right and access to inspect the Property at all reasonable times in order to attend to Lender's interests and ensure compliance with the terms of this Security Instrument. If the Property, or any part thereof, shall require inspection, repair or maintenance which Grantor has failed to provide, Lender, after reasonable notice, may enter upon the Property to effect such obligation; and the cost thereof shall be added to the Indebtedness and paid on Lender's demand by Grantor.

ASSIGNMENT OF LEASES AND RENTS. As additional security for the payment of the Indebtedness and the performance of the covenants contained herein, Grantor hereby assigns and transfers over to Lender all rents, income and profits ("Rents") under any present or future leases, subleases or licenses of the Property, including any guaranties, extensions, amendments or renewals thereof, from the use of the Property. So long as Grantor is not in default, Grantor may receive, collect and enjoy all Rents accruing from the Property, but not more than one month in advance of the due date. Lender may also require Grantor, tenant and any other user of the Property to make payments of Rents directly to Lender. However, by receiving any such payments, Lender is not, and shall not be considered, an agent for any party or entity. Any amounts collected may, at Lender's sole discretion, be applied to protect Lender's interest in the Property, including but not limited to the payment of taxes and insurance premiums and to the Indebtedness. At Lender's sole discretion, all leases, subleases and licenses must first be approved by Lender.

CONDEMNATION. Grantor shall give Lender notice of any action taken or threatened to be taken by private or public entities to appropriate the Property or any part thereof, through condemnation, eminent domain or any other action. Further, Lender shall be permitted to participate or intervene in any of the above described proceedings in any manner it shall at its sole discretion determine. Lender is hereby given full power, right and authority to receive and receipt for any and all damages awarded as a result of the full or partial taking or appropriation and in its sole discretion, to apply said awards to the Indebtedness, whether or not then due or otherwise in accordance with applicable law. Unless Lender otherwise agrees in writing, any application of proceeds to the Indebtedness

shall not extend or postpone the due date of the payments due under the Indebtedness or change the amount of such payments.

GRANTOR'S ASSURANCES. At any time, upon a request of Lender, Grantor will execute and deliver to Lender, and if appropriate, cause to be recorded, such further mortgages, assignments, assignments of leases and rents, security agreements, pledges, financing statements, or such other document as Lender may require, in Lender's sole discretion, to effectuate, complete and to perfect as well as to continue to preserve the Indebtedness, or the lien or security interest created by this Security Instrument.

ATTORNEY-IN-FACT. Grantor appoints Lender as attorney-in-fact on behalf of Grantor. If Grantor fails to fulfill any of Grantor's obligations under this Security Instrument or any Related Documents, including those obligations mentioned in the preceding paragraph, Lender as attorney-in-fact may fulfill the obligations without notice to Grantor. This power of attorney shall not be affected by the disability of the Grantor.

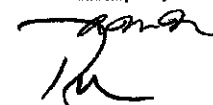

EVENTS OF DEFAULT. The following events shall constitute default under this Security Instrument (each an "Event of Default"):

- (a) Failure to make required payments when due under Indebtedness;
- (b) Failure to perform or keep any of the covenants of this Security Instrument or a default under any of the Related Documents;
- (c) The making of any oral or written statement or assertion to Lender that is false or misleading in any material respect by Grantor or any person obligated on the Indebtedness;
- (d) The death, dissolution, insolvency, bankruptcy or receivership proceeding of Grantor or of any person or entity obligated on the Indebtedness;
- (e) Any assignment by Grantor for the benefit of Grantor's creditors;
- (f) A material adverse change occurs in the financial condition, ownership or management of Grantor or any person obligated on the Indebtedness; or
- (g) Lender deems itself insecure for any reason whatsoever.

REMEDIES ON DEFAULT. Upon the occurrence of an Event of Default, Lender may, without demand or notice, pay any or all taxes, assessments, premiums, and liens required to be paid by Grantor, effect any insurance provided for herein, make such repairs, cause the abstracts of title or title insurance policy and tax histories of the Property to be certified to date, or procure new abstracts of title or title insurance and tax histories in case none were furnished to it, and procure title reports covering the Property, including surveys. The amounts paid for any such purposes will be added to the Indebtedness and will bear interest at the rate of interest otherwise accruing on the Indebtedness until paid. In the event of foreclosure, the abstracts of title or title insurance shall become the property of Lender. All abstracts of title, title insurance, tax histories, surveys, and other documents pertaining to the Indebtedness will remain in Lender's possession until the Indebtedness is paid in full.

IN THE EVENT OF THE SALE OF THIS PROPERTY UNDER THE PROCEDURE FOR FORECLOSURE OF A SECURITY INSTRUMENT BY ADVERTISEMENT, AS PROVIDED BY APPLICABLE LAW, OR IN THE EVENT LENDER EXERCISES ITS RIGHTS UNDER THE ASSIGNMENT OF LEASES AND RENTS, THE GRANTOR HEREBY WAIVES ANY RIGHT TO ANY NOTICE OTHER THAN THAT PROVIDED FOR SPECIFICALLY BY STATUTE, OR TO ANY JUDICIAL HEARING PRIOR TO SUCH SALE OR OTHER EXERCISE OF RIGHTS.

Upon the occurrence of an Event of Default, Lender may, without notice unless required by law, and at its option, declare the entire Indebtedness due and payable, as it may elect, regardless of the date or dates of maturity thereof and, if permitted by state law, is authorized and empowered to cause the Property to be sold at public auction, and to execute and deliver to the purchaser or purchasers at such sale any deeds of conveyance good and sufficient at law, pursuant to the statute in such case made and provided, and out of the proceeds of the sale to retain the sums then due hereunder and all costs and charges of the sale, including attorneys' fees, rendering any surplus to the party or parties entitled to it. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made in it. If Lender chooses to invoke the power of sale, Lender or Trustee will provide notice of sale pursuant to applicable law. Any such sale or a sale made pursuant to a judgment or a decree for the foreclosure

hereof may, at the option of Lender, be made en masse. The commencement of proceedings to foreclose this Security Instrument in any manner authorized by law shall be deemed as exercise of the above option.

Upon the occurrence of an Event of Default, Lender shall immediately be entitled to make application for and obtain the appointment of a receiver for the Property and of the earnings, income, issue and profits of it, with the powers as the court making the appointments confers. Grantor hereby irrevocably consents to such appointment and waives notice of any application therefor.

EQUITY OF REDEMPTION. Borrower expressly waives all equitable rights of redemption.

NO WAIVER. No delay or failure of Lender to exercise any right, remedy, power or privilege hereunder shall affect that right, remedy, power or privilege nor shall any single or partial exercise thereof preclude the exercise of any right, remedy, power or privilege. No Lender delay or failure to demand strict adherence to the terms of this Security Instrument shall be deemed to constitute a course of conduct inconsistent with Lender's right at any time, before or after an event of default, to demand strict adherence to the terms of this Security Instrument and the Related Documents.

SUBSTITUTE TRUSTEE. Lender, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder by an instrument recorded in the county in which this Security Instrument is recorded. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

JOINT AND SEVERAL LIABILITY. If this Security Instrument should be signed by more than one person, all persons executing this Security Instrument agree that they shall be jointly and severally bound, where permitted by law.

SURVIVAL. Lender's rights in this Security Instrument will continue in its successors and assigns. This Security Instrument is binding on all heirs, executors, administrators, assigns and successors of Grantor.

NOTICES AND WAIVER OF NOTICE. Unless otherwise required by applicable law, any notice or demand given by Lender to any party is considered effective when it is deposited in the United States Mail with the appropriate postage, mailed to the address of the party given at the beginning of this Security Instrument unless an alternative address has been provided to Lender in writing. To the extent permitted by law, Grantor waives notice of Lender's acceptance of this Security Instrument, defenses based on suretyship, any defense arising from any election by Lender under the United States Bankruptcy Code, Uniform Commercial Code, as enacted in the state where Lender is located or other applicable law or in equity, demand, notice of acceleration, notice of nonpayment, presentment, protest, notice of dishonor and any other notice.

TO THE EXTENT PERMITTED BY LAW, GRANTOR WAIVES ANY RIGHT TO NOTICE, OTHER THAN THE NOTICE PROVIDED ABOVE, AND WAIVES ANY RIGHT TO ANY HEARING, JUDICIAL OR OTHERWISE, PRIOR TO LENDER EXERCISING ITS RIGHTS UNDER THIS SECURITY INSTRUMENT.

WAIVER OF APPRAISEMENT RIGHTS. Grantor waives all appraisement rights relating to the Property to the extent permitted by law.

WAIVER OF ELECTIVE SHARE. To the extent each signatory to this Security Instrument possesses them, each signatory to this Security Instrument relinquishes all other rights and exemptions of every kind, including, but not limited to, a statutory right to an elective share in the Property.

LENDER'S EXPENSES. Grantor agrees to pay all expenses incurred by Lender in connection with enforcement of its rights under the Indebtedness, this Security Instrument or in the event Lender is made party to any litigation because of the existence of the Indebtedness or this Security Instrument, as well as court costs, collection charges and reasonable attorneys' fees and disbursements.

ASSIGNABILITY. Lender may assign or otherwise transfer this Security Instrument or any of Lender's rights under this Security Instrument without notice to Grantor. Grantor may not assign this Security Instrument or any part of the Security Instrument without the express written consent of Lender.

GOVERNING LAW AND JURISDICTION. This Security Instrument will be governed by the laws of the State of Tennessee.

SEVERABILITY. If a court of competent jurisdiction determines any term or provision of this Security Instrument is invalid or prohibited by applicable law, that term or provision will be ineffective to the extent required. Any term or provision that has been determined to be invalid or prohibited will be severed from the rest of the Security Instrument without invalidating the remainder of either the affected provision or this Security Instrument.

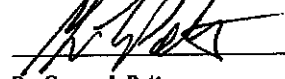

WAIVER OF JURY TRIAL. All parties to this Security Instrument hereby knowingly and voluntarily waive, to the fullest extent permitted by law, any right to trial by jury of any dispute, whether in contract, tort, or otherwise, arising out of, in connection with, related to, or incidental to the relationship established between them in this Security Instrument or any other instrument, document or agreement executed or delivered in connection with this Security Instrument or the related transactions.

ORAL AGREEMENTS DISCLAIMER. This Security Instrument represents the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

NOTICE OF LIMITATION. UNDER THE PROVISIONS OF THE TENNESSEE CODE, YOU MAY REDUCE THE LIMIT ON THE MAXIMUM AMOUNT OF TOTAL PRINCIPAL INDEBTEDNESS SECURED BY THIS SECURITY INSTRUMENT. Grantor agrees to return, upon Lender's request, all checks, credit cards, and access devices to obtain further credit advances upon the service by Grantor of a notice of limitation as described in this paragraph.

By signing this Security Instrument, each Grantor acknowledges that all provisions have been read and understood. Signed and sealed by Grantor(s):
