DOCKET NO: 1300050

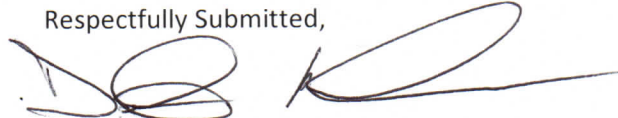

Petition of Aqua Green Utility Inc. to amend its Certificate of Convenience and Necessity

I would like to request withdrawal of our petition to the Tennessee Regulatory Authority to amend our Certificate of Convenience and Necessity to expand its service area to include an additional 28 lots located in a portion of Jefferson County known as Stonebridge on Douglas Lake.

This is based on a conversation May 21, 2013 with David Foster and Jean Stone, I understand that the original CCN 10-00145, includes all lots in the Stonebridge subdivision.

I also understand that as phases are added to the treatment facility (meeting TDEC approval), additional Stonebridge homeowners can be added as customers.

Respectfully Submitted,
