RE: Docket No. 13-00087, *Application of Time Warner Cable Business, LLC d/b/a Time Warner Cable for a Certificate of Public Convenience and Necessity to Provide Competitive Interexchange Services in Tennessee*

Dear Mr. Walker:

CLEC applicants are required, by statute, to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of Time Warner Cable Business, LLC d/b/a Time Warner Cable's application for Certificate of Convenience and Necessity to provide competitive interexchange telecommunications services in Tennessee, you are requested to provide the following information:

1. The caption of the petition reads "Application of Time Warner Cable Business, LLC d/b/a Time Warner Cable, for a Certificate of Public Convenience and Necessity to Provide Competitive Interexchange Services." Page 4 of the petition states that "TWC is a long distance telecommunications company that intends to *resell* to commercial customers High Capacity Transmission Services throughout the State of Tennessee and the United States." Clarify whether the petition is for facilities-based authority or resale authority. Also, is the company seeking interexchange authority only, or local and interexchange authority?
2. The caption of the petition mentions the assumed name "Time Warner Cable." However, neither the petition nor any exhibits reference "Time Warner Cable." Will the company be using the assumed name "Time Warner Cable?" If so, please revise the petition and exhibits to include the assumed name.

It is requested that this information be provided no later than 2:00 pm on August 30, 2013 and that you reference Docket Number 13-00087 on the response. In accordance with TRA rules submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version. Should you have questions regarding this request, please contact Lisa Foust at 615-741-2904 extension 220.

Sincerely,

David Foster
